## Graduate to a new level of trade knowledge with Citigroup's Trade University...your enhanced Web learning resource in 2007

### Maximizing the Benefits of Export Letters of Credit: A Risk Mitigation Tool

Online Live Webinar:  
**Thursday, February 1st**  
**11 am – 12 pm EST**

On-demand Online Video:  
**Starting Tuesday, February 6th**  
**Available 24/7**

You will now have the choice to “log on and learn” through our live Webinar program or visit our trade learning Web site to watch your professors on video.

The February 1st session will be a live Webinar, during which you can ask the “professors” questions through live chat and on the phone. And as of February 6th, you'll be able to watch a streaming video version of the session right at your computer; if you have questions, simply e-mail the instructors and they will follow-up with you quickly!

For our first topic of the year, we ask, “**Are you using export letters of credit to your advantage in risk mitigation?**” This session explores the concepts of “**Maximizing the Benefits of Export Letters of Credit: A Risk Mitigation Tool.**” We discuss risk mitigation techniques using different types of Letters of Credit, such as Unconfirmed, Confirmed, Silent Confirmation and Standby.

**So, whether you prefer to log on to the live Webinar or watch this informative program on demand, make sure you register today!**
