**Columbia Management Mutual Fund Exposure to Washington Mutual (WM)**

As of the close of business on September 25, 2008, Columbia Management's mutual fund exposure to WM, Inc. and its subsidiaries is detailed below by mutual fund category:

**Columbia Mutual Funds:**

Equity funds

- Columbia Management's actively managed equity mutual funds, not including the Columbia Global Value Fund, had no exposure to WM.
- Columbia Global Value Fund had a small exposure (approximately 0.55% of the market value of the Fund's holdings).

Fixed-income funds

- Columbia Management's fixed-income and asset allocation mutual funds had exposure to the debt of WM and its subsidiaries of less than 1% of net assets.

Cash funds

- Columbia Management has no WM exposure in its money market mutual funds.

Index funds

- Columbia Management's index mutual funds are managed based on a process of passive replication and their exposure to WM is consistent with the exposure and weighting in their respective indices.
