Presence Countries¹

63

Non-Presence Countries

1. Countries and jurisdictions (shortened to "countries") include all ISO recognized sovereign entities irrespective of UN status. Presence reflects that Citi generates revenues in the country, and Citi has employees stationed locally. Country Presence count as of May 30, 2019. Total client service adds Non-Presence countries where Citi provides services, generates business, makes investments, offers or solicits business or support through Citi entities or Citi staff that are all based outside of the country. 2. Includes all cluster and sub-cluster heads.
