THIRD: The purpose of the Corporation is:

To engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of Delaware.

FOURTH: A. The total number of shares of all classes of stock which the Corporation shall have authority to issue is Six Billion Thirty Million (6,030,000,000). The total number of shares of Common Stock which the Corporation shall have authority to issue is Six Billion (6,000,000,000) shares of Common Stock having a par value of one cent (\$.01) per share. The total number of shares of Preferred Stock which the Corporation shall have the authority to issue is Thirty Million (30,000,000) shares having a par value of one dollar (\$1.00) per share.

B. The Board of Directors is authorized, subject to limitations prescribed by law and the provisions of this Article FOURTH, to provide for the issuance of the shares of Preferred Stock in series, and by filing a certificate pursuant to the applicable law of the State of Delaware, to establish from time to time the number of shares to be included in each such series, and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations or restrictions thereof. The authority of the Board of Directors with respect to each series shall include, but not be limited to, determination of the following:

(i) The number of shares constituting that series and the distinctive designation of that series;

(ii) The dividend rate on the shares of that series, whether dividends shall be cumulative, and, if so, from which date or dates, and the relative rights of priority, if any, of payment of dividends on shares of that series;

(iii) Whether that series shall have voting rights, in addition to the voting rights provided by law, and, if so, the terms of such voting rights;

(iv) Whether that series shall have conversion or exchange privileges, and, if so, the terms and conditions of such conversion or exchange, including provision for adjustment of the conversion or exchange rate in such events as the Board of Directors shall determine;

(v) Whether or not the shares of that series shall be redeemable, and, if so, the terms and conditions of such redemption, including the manner of selecting shares for redemption if less than all shares are to be redeemed, the date or dates upon or after which they shall be redeemable, and the amount per share payable in case of redemption, which amount may vary under different conditions and at different redemption dates;

(vi) Whether that series shall have a sinking fund for the redemption or purchase of shares of that series, and, if so, the terms and amount of such sinking fund;

(vii) The right of the shares of that series to the benefit of conditions and restrictions upon the creation of indebtedness of the Corporation or any subsidiary, upon the issue of any additional stock (including additional shares of such series or any other series) and upon the payment of dividends or the making of other distributions on, and the purchase, redemption or other acquisition by the Corporation or any subsidiary of any outstanding stock of the Corporation;

(viii) The rights of the shares of that series in the event of voluntary or involuntary liquidation, dissolution or winding up of the Corporation, and the relative rights of priority, if any, of payment of shares of that series; and

(ix) Any other relative, participating, optional or other special rights, qualifications, limitations or restrictions of that series.

C. Dividends on outstanding shares of Preferred Stock shall be paid, or declared and set apart for payment, before any dividends shall be paid or declared and set apart for payment on outstanding shares of Common Stock. If upon any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the assets available for distribution to holders of shares of Preferred Stock of all series shall be insufficient to pay such holders the full preferential amount to which they are entitled, then such assets shall be distributed ratably among the shares of all series of Preferred Stock in accordance with the respective preferential amounts (including unpaid cumulative dividends, if any) payable with respect thereto.

D. Shares of any series of Preferred Stock which have been redeemed (whether through the operation of a sinking fund or otherwise) or which, if convertible or exchangeable, have been converted into or exchanged for shares of stock of any other class or classes shall have the status of authorized and unissued shares of Preferred Stock of the same series and may be reissued as a part of the series of which they were originally a part or may be reclassified and reissued as part of a new series of Preferred Stock to be created by resolution or resolutions of the Board of Directors or as part of any other series of Preferred Stock, all subject to the conditions and the restrictions on issuance set forth in the resolution or resolutions adopted by the Board of Directors providing for the issue of any series of Preferred Stock.

E. Subject to the provisions of any applicable law or except as otherwise provided by the resolution or resolutions providing for the issue of any series of Preferred Stock, the holders of outstanding shares of Common Stock shall exclusively possess voting power for the election of directors and for all other purposes; each holder of record of shares of Common Stock being entitled to one vote for each share of Common Stock standing in his name on the books of the Corporation; provided, however, that, except as otherwise required by law, holders of Common Stock shall not be entitled to vote on any amendment to this Certificate of Incorporation (including any certificate relating to shares of Preferred Stock contemplated or authorized by Section B or Section J of this Article FOURTH) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together as a class with the holders of one or more other such series, to vote thereon pursuant to this Restated Certificate of Incorporation (including any certificate relating to shares of Preferred Stock contemplated or authorized by Section B or Section J of this Article FOURTH).

F. Except as otherwise provided by the resolution or resolutions providing for the issue of any series of Preferred Stock, after payment shall have been made to the holders of Preferred Stock of the full amount of dividends to which they shall be entitled pursuant to the resolution or resolutions providing for the issue of any series of Preferred Stock, the holders of Common Stock shall be entitled, to the exclusion of the holders of Preferred Stock of any and all series, to receive such dividends as from time to time may be declared by the Board of Directors.

G. Except as otherwise provided by the resolution or resolutions providing for the issue of any series of Preferred Stock, in the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment shall have been made to the holders of Preferred Stock of the full amount to which they shall be entitled pursuant to the resolution or resolutions providing for the issue of any series of Preferred Stock, the holders of Common Stock shall be entitled, to the exclusion of the holders of Preferred Stock of any and all series, to share ratably according to the number of shares of Common Stock held by them, in all remaining assets of the Corporation available for distribution.

H. The issuance of any shares of Common Stock or Preferred Stock authorized hereunder and any other actions permitted to be taken by the Board of Directors pursuant to this Article FOURTH must be authorized by the affirmative vote of at least sixty-six and two-thirds percent (66 2/3%) of the entire Board of Directors or by a committee of the Board of Directors constituted by the affirmative vote of at least sixty-six and two-thirds percent (66 2/3%) of the entire Board of Directors.

I. J. Pursuant to the authority conferred by this Article FOURTH, the following series of Preferred Stock are hereby provided for, with the number of shares to be included in each such series, and the designation, powers, preference and rights, and qualifications, limitations or restrictions thereof fixed as stated and expressed with respect to each such series in the respective exhibit attached hereto as specified below and incorporated herein by reference:

FIFTH: The Directors need not be elected by written ballot unless and to the extent the By-Laws so require.

SIXTH: The books and records of the Corporation may be kept (subject to any mandatory requirement of law) outside the State of Delaware at such place or places as may be determined from time to time by or pursuant to authority granted by the Board of Directors or by the By-Laws.

SEVENTH: The business and affairs of the Corporation shall be managed by or under the direction of a Board of Directors, the exact number of directors to be determined from time to time by resolution adopted by affirmative vote of a majority of the entire Board of Directors. At each annual meeting, each director shall be elected for a one-year term. A director shall hold office until the annual meeting held the year in which his or her term expires and until his or her successor shall be elected and shall qualify, subject, however, to prior death, resignation, retirement, disqualification or removal from office. Any vacancy on the Board of Directors that results from an increase in the number of directors may be filled by a majority of the Board of Directors then in office, provided that a quorum is present, and any other vacancy occurring in the Board of Directors may be filled by a majority of the directors then in office, even if less than a quorum, or a sole remaining director. Any director elected to fill a vacancy not resulting from an increase in the number of directors shall have the same remaining term as that of his or her predecessor. Notwithstanding the foregoing, whenever the holders of any one or more classes or series of Preferred Stock issued by the Corporation shall have the right, voting separately by class or series, to elect directors at an annual or special meeting of stockholders, the election, term of office, filling of vacancies and other features of such directorships shall be governed by the terms of this Restated Certificate of Incorporation applicable thereto.

EIGHTH: A. In addition to any affirmative vote required by law or this Certificate of Incorporation or the By-Laws of the Corporation, and except as otherwise expressly provided in Section B of this Article EIGHTH, a Business Combination (as hereinafter defined) shall require the affirmative vote of not less than a majority of the votes cast affirmatively and negatively by the holders of Voting Stock (as hereinafter defined), voting together as a single class. Such affirmative vote shall be required notwithstanding the fact that no vote may be required, or that a lesser percentage or separate class vote may be specified, by law or in any agreement with any national securities exchange or otherwise.

B. The provisions of Section A of this Article EIGHTH shall not be applicable to any particular Business Combination, and such Business Combination shall require only such affirmative vote, if any, as is required by law or by any other provision of this Certificate of Incorporation or the By-Laws of the Corporation or otherwise, if all of the conditions specified in either of the following Paragraphs 1 or 2 are met; *provided, however*, that in the case of a Business Combination that does not involve the payment of consideration to the holders of the Corporation's outstanding Capital Stock (as hereinafter defined), then the provisions of Section A of this Article EIGHTH must be satisfied unless the conditions specified in the following Paragraph 1 are met:

1. The Business Combination shall have been approved (and such approval not subsequently rescinded) by a majority of the Continuing Directors (as hereinafter defined), either specifically or as a transaction which is within an approved category of transactions with an Interested Stockholder. Such approval may be given prior to or subsequent to the acquisition of, or announcement or public disclosure of the intention to acquire, beneficial ownership of the Voting Stock that caused the Interested Stockholder to become an Interested Stockholder; *provided, however*, that approval shall be effective for the purposes of this Paragraph 1 only if obtained at a meeting at which a Continuing Director Quorum (as hereinafter defined) was present; and provided further, that such approval may be rescinded by a majority of the Continuing Directors at any meeting at which a Continuing Director

Quorum is present and which is held prior to consummation of the proposed Business Combination.

2. All of the following conditions, if applicable, shall have been met:

The aggregate amount of cash and the Fair Market Value (as hereinafter defined), as of the date of the consummation of the Business Combination (the “Consummation Date”), of consideration other than cash to be received per share by holders of shares of any class or series of outstanding Capital Stock in such Business Combination shall be at least equal to the amount determined, as applicable, under Paragraph 2(a) or 2(b) below:

(a) if the Fair Market Value per share of such class or series of Capital Stock on the date of the first public announcement of the proposed Business Combination (the “Announcement Date”) is less than the Fair Market Value per share of such class or series of Capital Stock on the date on which the Interested Stockholder became an Interested Stockholder (the “Determination Date”), an amount (the “Premium Capital Stock Price”) equal to the sum of (i) the Fair Market Value per share of such class or series of Capital Stock on the Announcement Date plus (ii) the product of the Fair Market Value per share of such class or series of Capital Stock on the Announcement Date multiplied by the highest percentage premium over the closing sale price per share of such class or series of Capital Stock paid on any day by or on behalf of the Interested Stockholder for any share of such class or series of Capital Stock in connection with the acquisition by the Interested Stockholder of beneficial ownership of shares of such class or series of Capital Stock within the two-year period immediately prior to the Announcement Date or in the transaction in which it became an Interested Stockholder; *provided, however*, that if the Premium Capital Stock Price as determined above is greater than the highest per share price paid by or on behalf of the Interested Stockholder for any share of such class or series of Capital Stock in connection with the acquisition by the Interested Stockholder of beneficial ownership of shares of such class or series of Capital Stock within the two-year period immediately prior to the Announcement Date, the amount required under this Paragraph 2(a) shall be the higher of (A) such highest price paid by or on behalf of the Interested Stockholder, and (B) the Fair Market Value per share of such class or series of Capital Stock on the Announcement Date (the Fair Market Value and other prices per share of such class or series of Capital Stock referred to in this Paragraph 2(a) shall be in each case appropriately adjusted for any subsequent stock split, stock dividend, subdivision or reclassification with respect to such class or series of Capital Stock); or

(b) if the Fair Market Value per share of such class or series of Capital Stock on the Announcement Date is greater than or equal to the Fair Market Value per share of such class or series of Capital Stock on the Determination Date, in each case as appropriately adjusted for any subsequent

stock split, stock dividend, subdivision or reclassification with respect to such class or series of Capital Stock, a price per share equal to the Fair Market Value per share of such class or series of Capital Stock on the Announcement Date.

The provisions of this Paragraph 2 shall be required to be met with respect to every class or series of outstanding Capital Stock which is the subject of the Business Combination whether or not the Interested Stockholder has previously acquired beneficial ownership of any shares of a particular class or series of Capital Stock.

(c) After the Determination Date and prior to the Consummation Date of such Business Combination: (i) except as approved by a majority of the Continuing Directors at a meeting at which a Continuing Director Quorum is present, there shall have been no failure to declare and pay at the regular date therefor any full quarterly dividends (whether or not cumulative) payable in accordance with the terms of any outstanding Capital Stock; (ii) there shall have been an increase in the annual rate of dividends paid on the Common Stock as necessary to reflect any reclassification (including any reverse stock split), recapitalization, reorganization or any similar transaction that has the effect of reducing the number of outstanding shares of Common Stock, unless the failure so to increase such annual rate is approved by a majority of the Continuing Directors at a meeting at which a Continuing Director Quorum is present; and (iii) such Interested Stockholder shall not have become the beneficial owner of any additional shares of Capital Stock except as part of the transaction that results in such Interested Stockholders becoming an Interested Stockholder and except in a transaction that, after giving effect thereto, would not result in any increase in the Interested Stockholder's percentage beneficial ownership of any class or series of Capital Stock.

(d) After the Determination Date, such Interested Stockholder shall not have received the benefit, directly or indirectly (except proportionately as a stockholder of the Corporation), of any loans, advances, guarantees, pledges or other financial assistance or any tax credits or other tax advantages provided by the Corporation, whether in anticipation of or in connection with such Business Combination or otherwise.

(e) A proxy or information statement describing the proposed Business Combination and complying with the requirements of the Securities Exchange Act of 1934 and the rules and regulations thereunder (the "Act") (or any subsequent provisions replacing such Act, rules or regulations), shall be mailed to all stockholders of the Corporation at least 30 days prior to the consummation of such Business Combination (whether or not such proxy or information statement is required to be mailed pursuant to such Act or subsequent provisions). The proxy or information statement shall contain on the first page thereof, in a prominent place, any statement as to the advisability (or inadvisability) of the Business Combination that the Continuing Directors, or any of them, may choose to make and, if deemed advisable by a majority of the

Continuing Directors, the opinion of an investment banking firm selected by a majority of the Continuing Directors as to the fairness (or not) of the terms of the Business Combination from a financial point of view to the holders of the outstanding shares of Capital Stock other than the Interested Stockholder and its Affiliates or Associates (as hereinafter defined), such investment banking firm to be paid a reasonable fee for its services by the Corporation.

(f) Such Interested Stockholder shall not have made any major change in the Corporation's business or equity capital structure without the approval of at least a majority of the Continuing Directors.

C. The following definitions shall apply with respect to this Article EIGHTH:

1. The term "*Business Combination*" shall mean:

(b) any sale, lease, exchange, mortgage, pledge, transfer or other disposition or security arrangement, investment, loan, advance, guarantee, agreement to purchase, agreement to pay, extension of credit, joint venture participation or other arrangement (in one transaction or a series of transactions) with or for the benefit of any Interested Stockholder or any Affiliate or Associate of any Interested Stockholder involving any assets, securities or commitments of the Corporation, any Major Subsidiary or any Interested Stockholder or any Affiliate or Associate of any Interested Stockholder having an aggregate Fair Market Value and/or involving aggregate commitments of Twenty-Five Million dollars (\$25,000,000) or more; or

(c) any reclassification of securities (including any reverse stock split), or recapitalization of the Corporation, or any merger or consolidation of the Corporation with any of its Subsidiaries (as hereinafter defined) or any other transaction (whether or not with or otherwise involving an Interested Stockholder) that has the effect, directly or indirectly, of increasing the proportionate share of any class or series of Capital Stock, or any securities convertible into Capital Stock or into equity securities of any Subsidiary, that is beneficially owned by any Interested Stockholder or any Affiliate or Associate of any Interested Stockholder; or

(d) any agreement, contract or other arrangement providing for any one or more of the actions specified in the foregoing clauses (a) to (d);

In the event a Continuing Director Quorum cannot be attained at such meeting, all such determinations shall be made by the Delaware Court of Chancery.

E. Nothing contained in this Article EIGHTH shall be construed to relieve any Interested Stockholder from any fiduciary obligation imposed by law.

F. The fact that any Business Combination complies with the provisions of Section B of this Article EIGHTH shall not be construed to impose any fiduciary duty, obligation or responsibility on the Board of Directors, or any member thereof, to approve such Business Combination or recommend its adoption or approval to the stockholders of the Corporation, nor shall such compliance limit, prohibit or otherwise restrict in any manner the Board of Directors, or any member thereof, with respect to evaluations of or actions and responses taken with respect to such Business Combination.

G. Notwithstanding any other provisions of this Certificate of Incorporation or the By-Laws of the Corporation (and notwithstanding the fact that a lesser percentage or separate class vote may be specified by law, this Certificate of Incorporation or the By-Laws of the Corporation), the affirmative vote of the holders of not less than a majority of the voting power of the outstanding shares entitled to vote thereon, voting together as a single class, shall be

required to amend, alter, change or repeal, or adopt any provision as part of this Certificate of Incorporation inconsistent with the purpose and intent of this Article EIGHTH.
