- Latin America Institutional Clients Group
- Mexico Consumer Banking
- Key Takeaways
The Industry Leader with Significant Scale

(2017)

Banking:
$2.2B Revenue

Markets & Securities Services:
$2.0B Revenue

- #1 Regional Cash Management Bank in Latin America\(^{(1)}\)
- #1 Fixed Income Counterparty in Latin America\(^{(2)}\)
- #2 Investment Bank in Latin America\(^{(3)}\)
  - #1 in Debt Underwriting\(^{(3)}\)
  - #5 in Equity Underwriting\(^{(3)}\)

---

Note:
\(^{(1)}\) 2017 Euromoney Cash Management Survey by corporates and non-financial institutions, as well as financial institutions for USD and EUR transactions.
\(^{(3)}\) Based on wallet share per Dealogic as of January 1, 2018.
Positioned to Deliver Attractive, Sustainable Returns

A differentiated franchise…

- Leading institutional franchise in Latin America with **pan-regional presence** and a **full suite of products and services**
- Long-standing presence with **deep local market expertise** and **trusted relationships**
- **Nimble, innovative franchise** that leverages Citi’s global network and technology
- Uniquely positioned to take advantage of **evolving global trends** and the emergence of rapidly expanding global companies with multi-product needs
- A **culture** committed to **enabling responsible growth** and progress

…with significant upside potential

- A track record of **growing wallet share** with our target clients and **innovating** to meet evolving client needs
- **Resilient macro backdrop** with continued development of capital markets
- Growing number of **emerging multi-nationals** in the region
- Opportunities to grow with our clients while continuing to deliver **attractive efficiency and returns**
Network Drives Stable, Recurring Revenue

(Constant $B)

Total Revenue
- Treasury & Trade Solutions: $3.7 → $3.9 → $4.2 (CAGR 7%)
- Securities Services: $0.3 → $0.3 → $0.3
- Rates & Currencies: $1.2 → $1.5 → $1.4 (CAGR 7%)
- Banking (1): $0.5 → $0.6 → $0.6 (CAGR 13%)
- Equity Markets Private Bank: $0.1 → $0.1 → $0.3
- Other (2): $0.3 → $0.2 → $0.1

Note: Totals may not sum due to rounding. Constant dollar excludes the impact of foreign exchange translation into U.S. dollars for reporting purposes. For a reconciliation of constant dollars to reported results, please refer to Slide 28.

(1) Includes Investment Banking and Corporate Lending revenues. Corporate Lending revenues exclude gain / (loss) on loan hedges.

(2) Includes Other Markets & Securities Services, Spread Products, Commodities and the gain / (loss) on loan hedges.
Client-Driven Franchise With Focus on Multinationals

Total Client Revenue

- Financial Institutions & Investors: 23%
- Public Sector: 12%
- Non-FI Corporates: 66%

Non-FI Corporate Client Revenue

- Regional / Domestics: 14%
- Multinationals: 86%

Focus on ~1,500 clients and ~6,000 global subsidiaries

Note:

1. Totals may not sum due to rounding.

(1) Excludes Private Bank clients. Client revenues defined as those revenues directly attributed to a client transaction at the time of inception. Revenue reflects results for the full year 2017.
Supporting Next Generation Clients in Latin America

Leveraging network and product suite to support client’s rapid geographic expansion

Note: Not to scale.
Leveraging Citi’s Global Digital Capabilities

CitiDirect BE®
Next generation, award-winning banking platform

CitiFX Pulse®
One Platform: Access to ~80 countries; +400 currency pairs 24 hours a day

TTS Interactive Solutions
Solutions tailored to each client providing concrete, real-time benefits

CitiConnect®
Technology innovations to adapt to evolving client needs

Leveraging best-in-class global innovations to drive differentiated client experience

Investment Update

Network Enhancements

Creating next generation physical network
- Opened ~100 digital branches to date, with ~300+ more by 2020
- Added ~1,700 ATMs\(^{(1)}\) to date, with ~1,700 more by 2020

Shift in customer behavior to self-service

Offload Ratio\(^{(4)}\)
- T-3\(^{(3)}\): 38%
- T+3\(^{(3)}\): 55%

Future Digital Bank

Rapidly deploying robust digital and data capabilities
- Enhancing digital / mobile capabilities
- Aim to digitize ~50% of our customer base by 2020

Grew digital users

Digital Users\(^{(5)}\)
- 4Q'16: 42%
- 4Q'17: 57%

Service Plus

Leveraging digital and data tools to enhance servicing
- Aim to reach top 2 in NPS across all products
- Removing friction points and improving response times

#1 in customer service among relevant peers\(^{(2)}\) from #4 in 2016

Investments yielding early success

Digital Users\(^{(5)}\)
- Citibanamex: 7.7
- Santander: 7.5
- Banorte: 7.2
- BBVA: 6.2

Note:
- NPS: Net Promoter Score.
- ATMs include ATMs and CDMs (Cash Deposit Machines).
- IDATU (Customer Service Performance Index) as of 3Q’17.
- Internal estimates as of January 2018. T-3: Offload Ratio three months prior to branch transformation. T+3: Offload Ratio three months after branch transformation.
- Offload Ratio represents the percentage of total transactions conducted at ATMs and CDMs at upgraded, digital branches that have been open for more than 3 months.
- Digital users represent users of all online and/or mobile services. Reflects Citigold and Citi Priority client segments.
Leveraging Citi’s Global Platforms and Talent

Rewards Card Products

• Momentum in rewards cards\(^{(1)}\) from deploying global chassis
  – 13% YoY growth in account acquisitions
  – 12% YoY growth in EOP accounts
  – 35% YoY growth in purchase sales

Rewards Program

• Implemented the global ThankYou rewards\(^{(1)}\) program
  – 28% YoY increase in redemption transactions
  – 27% YoY increase in points redeemed
  – 700bps YoY increase in digital redemption

Digital Servicing

• Adopting core capabilities to enhance client experience
  – Account management on mobile
  – Personalized products and services at ATMs
  – Digitized card delivery tracking and dispute status
  – Interactive statements

Talent

• Transferring global talent to Mexico to enhance local capabilities and expertise across businesses and functions

Note:
\(^{(1)}\) Represents ThankYou rewards cards products in Mexico (Prestige, Premier and Rewards). Year-over-year comparisons as of November 2017.

Actions to Accelerate Growth

- Deploying global card products and ThankYou rewards
- Enhancing client experience with improved digital and mobile capabilities
- Driving growth in client acquisitions through digital channels
- Growing and maintaining balances utilizing more efficient, targeted marketing strategies
  - Omni-channel credit line increase application process
  - Special-rate campaigns targeting non-revolving clients
- Increasing client engagement by promoting digital purchases – card on file and recurrent payments

Note: Constant dollar excludes the impact of foreign exchange translation into U.S. dollars for reporting purposes.
Agenda

- Franchise Overview
- Latin America Institutional Clients Group
- Mexico Consumer Banking
- Key Takeaways
Key Takeaways

Highly efficient and profitable franchise in Latin America
- Strong contributor to overall Citi results with an efficiency ratio of 50.8% and a return on assets of 1.6% in 2017
- Strong credit discipline with overall net credit loss rate under 2% in 2017

Benefitting from a more resilient region with a positive outlook
- Improved macro fundamentals and closer ties to the global economy
- Growing number of multi-national, local market champions
- Expansion of international trade corridors

Well positioned for growth in both institutional and consumer businesses
- Long-standing institutional presence – leveraging Citi’s global network, digital capabilities and deep, local-market expertise
- Strong Consumer franchise in Mexico – investing to transform the client experience in a growing market
Certain statements in this presentation are “forward-looking statements” within the meaning of the rules and regulations of the U.S. Securities and Exchange Commission (SEC). These statements are based on management’s current expectations and are subject to uncertainty and changes in circumstances. These statements are not guarantees of future results or occurrences. Actual results and capital and other financial condition may differ materially from those included in these statements due to a variety of factors, including, among others, the precautionary statements included in this presentation and those contained in Citigroup’s filings with the SEC, including without limitation the “Risk Factors” section of Citigroup’s 2016 Form 10-K. Any forward-looking statements made by or on behalf of Citigroup speak only as to the date they are made, and Citi does not undertake to update forward-looking statements to reflect the impact of circumstances or events that arise after the date the forward-looking statements were made.
