

# Strength of Citi's Balance Sheet

Citi's strategy is designed to navigate different macro environments and serve as a source of stability for our clients and the financial system. This is made possible by the diversification of our business model, a strong balance sheet, liquidity position and disciplined management frameworks.

Balance Sheet  
**\$2.8T**

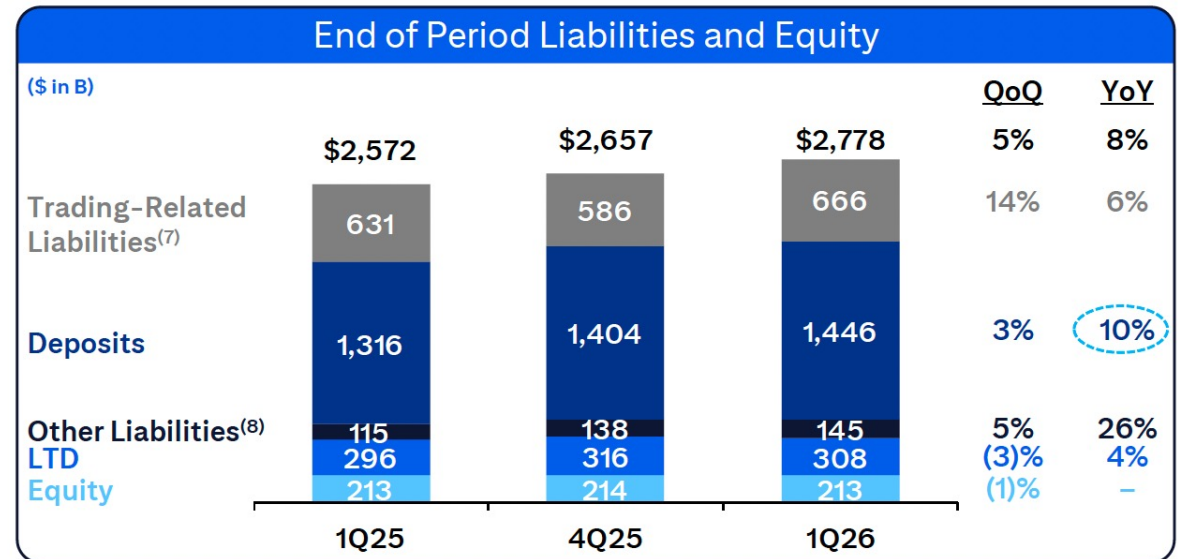

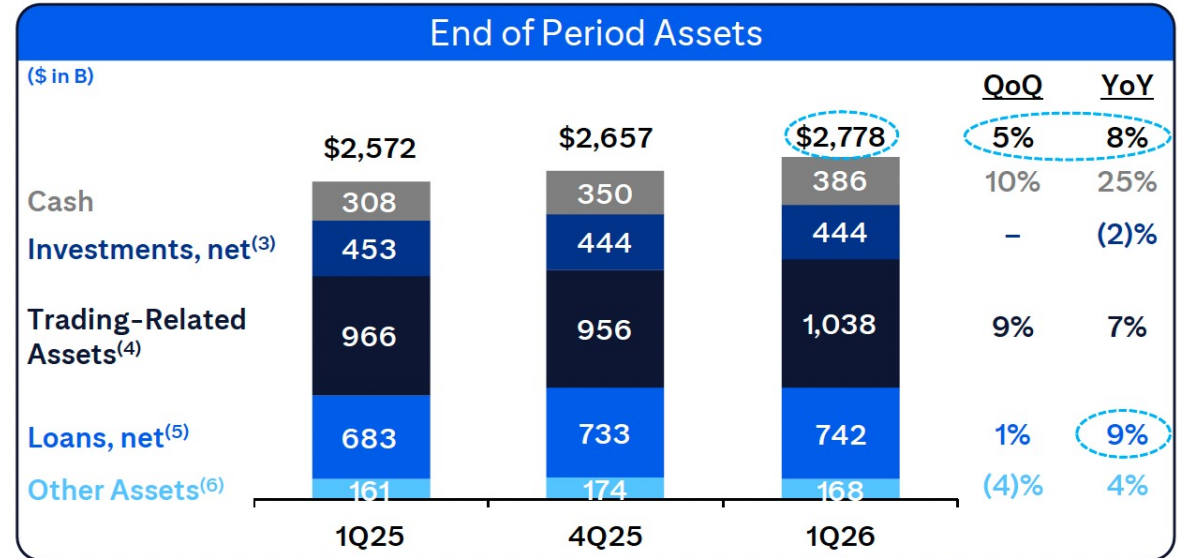

Diversified Deposit Base  
**\$1.4T**

CET1 Capital Ratio<sup>(c)</sup>  
**12.7%**

Nearly  
**\$22B**  
of Total Reserves

**114%**  
Liquidity Coverage Ratio
