INDEPENDENT AUDITOR'S REPORT

**To the Chief Executive Officer
Citibank N.A. - India Branches
Report on the Audit of the Financial Statements**

Opinion

We have audited the financial statements of Citibank N.A. - India Branches ("the Bank"), which comprise the Balance Sheet as at March 31, 2021, and the Profit and Loss Account, the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013 ("the Act") in the manner so required for Banking Companies and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Bank as at March 31, 2021, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note V (43) of Schedule 18 to the financial statements, which describes that the extent to which the COVID-19 Pandemic will continue to impact the Bank's financial statements will depend on ongoing and future uncertain developments.

Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Management Committee of the Bank is responsible for the other information. The other information comprises the Basel III - Pillar 3 Disclosures.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management Committee for Financial Statements

The Management Committee of the Bank is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act and provisions of Section 29 of the Banking Regulation Act, 1949 and circulars, guidelines and directions issued by the Reserve Bank of India ("the RBI") from time to time as applicable to the Bank. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Management Committee is also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank has internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report

to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 read with Section 133 of the Act and relevant rules issued thereunder.
2. As required by sub-section 3 of Section 30 of the Banking Regulation Act, 1949, we report that:
 - a. We have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
 - b. The transactions of the Bank, which have come to our notice during the course of our audit, have been within the powers of the Bank; and
 - c. Since the key operations of the Bank are automated with the key applications integrated to the core banking system, the audit is carried out centrally in Mumbai as all the necessary records and data required for the purpose of our audit are available therein. However, during the course of our audit, we have visited seven branches.
3. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 to the extent they are not inconsistent with the accounting policies prescribed by the RBI;

-
- e. The requirements of Section 164(2) of the Act is not applicable to the Bank considering it is a branch of Citibank N.A., which is incorporated with limited liability in the United States of America;
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Bank and the operating effectiveness of such controls, refer to our separate Report in "Annexure A";
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, the Bank is a Banking Company as defined under Banking Regulation Act, 1949. Accordingly, the requirements prescribed under Section 197 of the Companies Act, 2013 do not apply; and
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
 - i. The Bank has disclosed the impact of pending litigations as at March 31, 2021 on its financial position in its financial statements - Refer Schedule 12 and Note V (9) and (27)(i) of Schedule 18 to the financial statements;
 - ii. The Bank has made provision as at March 31, 2021, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer Note V (26) of Schedule 18 to the financial statements; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Bank during the year ended March 31, 2021.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF CITIBANK N.A. - INDIA BRANCHES

[Referred to in paragraph 3(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the Chief Executive Officer of Citibank N.A. - India Branches on the Financial Statements for the year ended March 31, 2021]

Report on the Internal Financial Controls under Clause (i) of Sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Citibank N.A. - India Branches ("the Bank") as of March 31, 2021 in conjunction with our audit of the financial statements of the Bank for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Bank's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI") (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Bank's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls With reference to Financial Statements

A Bank's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Bank's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorizations of Management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Bank's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Bank has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control with reference to financial statements criteria established by the Bank considering the essential components of internal control stated in the Guidance Note.

Schedules forming part of the financial statements of the Indian Branches*for the year ended March 31, 2021***Schedule 18****I. Background**

The accompanying financial statements for the year ended March 31, 2021 comprise the accounts of Citibank N.A. – India Branches (‘the Bank’), a banking company under the Banking Regulation Act, 1949. Citibank N.A. is incorporated with limited liability in the United States of America.

As at March 31, 2021 the Bank carries out operations in India through 35 branches at:

Ahmedabad, Aurangabad, Bengaluru (M.G. Road and South End Road), Chandigarh, Chennai (Anna Salai and Alwarpet), Coimbatore, Faridabad, Gurugram, Jaipur, Kochi, Kolkata (Brabourne Road and Chowringhee Road), Lucknow, Mumbai (Lower Parel, Andheri, Fort, BKC, Khar, Vashi and Thane), Nagpur, Nasik, New Delhi (Connaught Circus, Punjabi Bagh, Nehru Place, South Extension and Vasant Vihar), Noida, Pune, Hyderabad (S.P.Road and Serilingampally Mandal), Surat and Vadodara.

II. Basis of preparation

The financial statements have been prepared and presented under the historical cost convention and on the accrual basis of accounting, unless otherwise stated, and comply with generally accepted accounting principles in India (‘GAAP’), statutory requirements prescribed under the Banking Regulation Act, 1949, circulars and guidelines issued by the Reserve Bank of India (‘the RBI’) from time to time, Accounting Standards (‘AS’) notified under Section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016 to the extent applicable and current practices within the banking industry in India. The disclosures presented herein confirm to the guidelines laid down in the Master Circular - Disclosure in Financial Statements - Notes to Accounts (DBR.BP.BC No.23/21.04.018/ 2015-16 dated July 1, 2015). The financial statements are presented in Indian Rupees rounded off to the nearest lakhs, unless otherwise stated.

III. Use of estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management’s evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognized prospectively in current and future periods

IV. Significant accounting policies

1) Investments

Classification and valuation of the Bank's investments is carried out in accordance with RBI Master Circular DBR No BP.BC.6/ 21.04.141/ 2015-16 dated July 1, 2015 and amendments thereto.

Classification

Investments are classified as 'Held to maturity' ('HTM'), 'Available for sale' ('AFS') or 'Held for trading' ('HFT') at the time of its purchase. Investments, which the Bank intends to hold till maturity are classified as HTM investments. Investments that are held principally for resale within a short period are classified as HFT investments. All other investments are classified as AFS investments. For disclosure in the financial statements in Schedule 8 - Investments, the investments in India are classified under five categories – Government securities, Other approved securities, Debentures and Bonds, Shares and Other investments. Investments in securities issued outside India are classified as Investments outside India under three categories – Government securities (including local authorities), Subsidiaries and/or Joint ventures abroad and Other investments. Shifting among the categories is accounted as per extant RBI guidelines.

Valuation

Investments classified as HTM are carried at acquisition cost or at amortised cost where acquired at a premium over the face value. Such premium on acquisition is amortised over the remaining period to maturity on a constant yield to maturity basis. Where in the opinion of the management, and in accordance with RBI guidelines, a diminution, other than temporary, in the value of investments classified under HTM has taken place, suitable provisions are made.

AFS and HFT investments are recorded at cost. Such securities are revalued on a daily basis as per the yields declared by the Fixed Income Money Market and Derivatives Association of India ('FIMMDA') / Financial Benchmarks India Private Limited ('FBIL') in consultation with Primary Dealers Association of India ('PDAI'). Securities are valued scrip-wise and depreciation/appreciation is aggregated for each category. Net depreciation, if any, within each category of investments is recognized in the Profit and Loss account. The net appreciation, if any, under each category is not recognized, except to the extent of depreciation previously provided. The book value of individual securities is not changed consequent to the periodic valuation of investments.

Treasury Bills including Foreign Currency Treasury Bills, Commercial Papers and Certificate of Deposits, being discounted instruments, are valued at carrying cost. Carrying cost includes the discount accreted for the holding period on a constant yield to maturity basis.

Investments in Pass Through Certificates and Corporate Bonds are valued on the basis of the Base Yield Curve and the applicable spreads as per the spread matrix relative to the tenor of the underlying assets in accordance with FIMMDA guidelines.

Unquoted equity shares are valued at break-up value if the latest balance sheet is available, if unavailable at Re 1 per equity share. Net depreciation, if any, within each category of investments is recognized in the Profit and Loss account. The net appreciation, if any, under each category is not recognized, except to the extent of depreciation previously provided.

The Bank follows settlement date method of accounting for its investments. Costs including brokerage and commission pertaining to investments, paid at the time of acquisition, are charged to the Profit and Loss account. Gains or losses on sale of securities is computed based on the First-In-First-Out (FIFO) method.

Schedules forming part of the financial statements of the Indian Branches (Continued)

for the year ended March 31, 2021

Schedule 18 (Continued)

IV. Significant accounting policies (Continued)

1) Investments (Continued)

Valuation (Continued)

Profit/loss on sale of investments in the 'Held to maturity' category is recognized in the Profit and Loss account and profit is thereafter appropriated (net of applicable taxes and statutory reserve requirements) to Capital Reserve. Profit/loss on sale of investments in 'Available for sale' and 'Held for trading' categories is recognized in the Profit and Loss account.

Repurchase transactions

Repurchase ('repo') and reverse repurchase ('reverse repo') transactions including triparty repos (TREPS) are accounted for as borrowing and lending transactions. Accordingly, securities sold under an agreement to repurchase them continue to be held under the investment account of the Bank and the Bank continues to accrue coupon / discount on securities during the repo period. Also, the Bank marks to market such securities as per the investment classification of the security. The difference between the clean price of the first leg and clean price of the second leg is recognized as interest income / expense in the Profit and Loss account over the period of the transaction. Similarly, securities purchased under agreement to resale are not included in the investment account of the Bank. The transactions with RBI under Liquidity Adjustment Facility (LAF) and Marginal Standing Facility (MSF) are accounted for as borrowing and lending transactions as per circular RBI/2015-2016/403 FMRD.DIRD. 10 /14.03.002/2015-16 dated May 19, 2016 and amendments thereto.

Broken period interest

Broken period interest paid at the time of acquisition of the security is charged to the Profit and Loss account.

Short Sales

In accordance with the RBI guidelines, the Bank undertakes short sale transactions in Central Government dated securities. The short positions are reflected in 'Securities Short Sold ('SSS') A/c', specifically created for this purpose. Such short positions are categorised under HFT category and netted off from the investments in the Balance Sheet. These positions are marked-to-market along with the other securities under HFT portfolio and the resultant mark-to-market gains/losses are accounted for as per the relevant RBI guidelines for valuation of investments.

2) Advances

Classification and provisioning of advances of the Bank is carried out in accordance with RBI Master Circular - DBR.No.BP.BC. 2/21.04.048/ 2015-16 dated July 1, 2015 and amendments thereto. Advances, including purchase of loan portfolios, are stated net of bills rediscounted under bills rediscounting scheme, specific provisions, interest suspense for non performing advances and provisions in lieu of diminution in the fair value of restructured assets. In accordance with RBI guidelines, in case of inter-bank participation with risk sharing, the aggregate amount of the participation issued by the Bank is reduced from advances. Premium paid on acquisition of portfolio is included in advances and is amortised over the life of the portfolio.

**Schedules forming part of the financial statements of the Indian Branches
(Continued)***for the year ended March 31, 2021***Schedule 18 (Continued)****IV. Significant accounting policies (Continued)****2) Advances (Continued)**

The Bank adopts norms prescribed by RBI as specified in the circular referenced above for identification of Non-Performing Assets ('NPAs'). Loan loss provisions in respect of non-performing advances are made based on management's assessment of the degree of impairment of the advances subject to the minimum provisioning levels prescribed in RBI guidelines. In relation to non-performing derivative contracts, as per the extant RBI guidelines, the Bank makes provision for the entire amount of overdue and future receivables relating to positive marked to market value of the said derivative contracts.

The Bank maintains provision on standard assets as per RBI norms to cover potential loan losses not yet identified, which are inherent in any loan portfolio as well as on positive mark to market gains on derivatives portfolio and discloses the same in Schedule 5 - Other liabilities and provisions. The Bank maintains incremental provision on standard advances and on positive mark to market gains on derivatives portfolio pertaining to clients with unhedged foreign currency exposure (UFCE) in accordance with RBI guidelines. Floating provision created by the Bank as per the approved policy is included under Schedule 5 - Other liabilities and provisions. The Bank also maintains provision for country risk exposures and provision for incremental exposure of the banking system to a specified borrower beyond Normally Permitted Lending Limit (NPLL) in proportion to bank's funded exposure to specified borrower as per extant RBI guidelines and discloses the same in Schedule 5 - Other liabilities and provisions. Provisioning for restructured assets is made in accordance with the requirements prescribed by RBI guidelines.

With effect from February 26, 2014, in accordance with RBI guidelines, in case of non-performing loans sold to Securitisation Company (SC)/Reconstruction Company (RC), the Bank reverses the excess provision in the Profit and Loss account in the year in which amounts are received.

In case the sale of NPA is to non SC/RC, same is accounted for in accordance with the RBI guidelines on "Purchase/Sale of Non-Performing Financial Assets", wherein if the sale of non-performing advances is for a value higher than the NBV of the loans, the excess provision is not reversed but is held back to meet the shortfall/loss on account of sale of other non-performing advances. In case of a sale at a value lower than NBV, the shortfall is recognised in the profit and loss account in the year of sale after setting off any earlier provision held back on sale of other non-performing advances.

3) Foreign currency transactions

Transactions denominated in foreign currency are recorded at exchange rates prevailing on the date of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated at the balance sheet date at rates of exchange notified by the Foreign Exchange Dealers' Association of India ('FEDAI') and the resultant exchange differences are recognized in the Profit and Loss account.

Exchange differences arising on foreign currency transactions settled during the year are recognised in the Profit and Loss account.

Schedules forming part of the financial statements of the Indian Branches (Continued)

for the year ended March 31, 2021

Schedule 18 (Continued)

IV. Significant accounting policies (Continued)

3) Foreign currency transactions (Continued)

Foreign exchange trading positions including spot contracts, forward contracts and currency swap contracts are revalued daily at the rates published by newswires and monthly at closing rates notified by FEDAI for specified maturities and at interpolated rates of interim maturities. The contracts where exchange rates are not notified by FEDAI are revalued at the forward exchange rates implied by the swap curves of the respective currencies.

The gains and losses on revaluation are recorded in the Profit and Loss account at the present value equivalent using appropriate discount rates and corresponding asset or liability is shown under "Other assets" or "Other liabilities". The notional value of these contracts is recorded as contingent liability.

Foreign currency options including interest rate options are marked to market using market values after considering the premium received or paid. Profit or loss on revaluation is recorded in the Profit and Loss account and corresponding asset or liability is shown under "Other assets" or "Other liabilities". Premium received and premium paid is recognized in the Profit and Loss account upon expiry or exercise of the options. The notional value of these options is recorded as contingent liability.

Foreign currency futures are marked to market using closing price of the relevant futures contract as published by the exchange. Profit or loss on revaluation is recorded in the Profit and Loss account and corresponding asset or liability is shown under "Other assets" or "Other liabilities". Margin money deposited with the exchange is included in "Other assets". The notional value of the futures contracts is recorded as contingent liability.

In compliance with AS 11, The Effects of Changes in Foreign Exchange Rates, mark to market on swap contracts entered into for hedging foreign exchange risk implicit in certain foreign currency liabilities which are swapped into Indian rupees is not recognized. The premium/discount arising at inception of such contracts is amortised as expense/income over the life of the contract. Exchange differences on the spot leg of such contracts are recognized in the Profit and Loss account in the reporting period.. Notional values of these contracts are recorded as contingent liabilities.

Contingent liabilities on account of foreign exchange contracts, guarantees, acceptances, endorsements and other obligations denominated in foreign currencies are disclosed at the closing rates of exchange notified by FEDAI.

4) Rupee derivative transactions

Rupee derivative transactions primarily comprise interest rate swaps, forward rate agreements ('FRA') and interest rate futures. Interest rate swaps are marked to market using appropriate interest rates. Interest rate futures are marked to market using closing price of the relevant futures contract as published by the exchange. Profit or loss on revaluation is recorded in the Profit and Loss account and corresponding asset or liability is shown under "Other assets" or "Other liabilities". The notional value of these swaps and futures contracts is recorded as contingent liability.

Rupee interest rate swaps, which are designated as hedges where the underlying is not marked to market, are accounted on accrual basis pursuant to the principles of hedge accounting as per RBI circular Ref.No.MPD.BC.187/07.01.279/1999-2000 dated July 7, 1999.

for the year ended March 31, 2021

Schedule 18 (Continued)

IV. Significant accounting policies (Continued)

4) Rupee derivative transactions (Continued)

A FRA is a financial contract between two parties to exchange interest payments for 'notional principal' amount on settlement date, for a specified period from start date to maturity date. Accordingly, on the settlement date cash payments based on contract rate and the settlement rate, which is the agreed benchmark/reference rate prevailing on the settlement date, are made by the parties to one another. Profit or loss on revaluation is recorded in the Profit and Loss account and corresponding asset or liability is shown under "Other assets" or "Other liabilities". The notional value of these FRA contracts is recorded as contingent liability.

5) Fixed assets and depreciation

Fixed assets are accounted as per Revised AS 10, Property Plant and Equipment.

Fixed assets, other than premises, are stated at cost less accumulated depreciation. Cost includes freight, duties, taxes and incidental expenses related to the acquisition and installation of the asset.

Premises are revalued biennially and are stated at the revalued amount. The increase/decrease in net book value on revaluation of premises is credited/charged to 'Properties Revaluation Reserve'. On disposal of revalued premises, the amount standing to the credit of the Properties Revaluation Reserve is reversed.

Depreciation is provided on the straight-line method from the month of addition over the estimated useful life of the asset. Depreciation on assets sold during the year is charged to the Profit and Loss account upto the month preceding the month of sale. The useful life estimates prescribed in Part C of Schedule II of the Companies Act, 2013 are generally adhered to, except in respect of any assets where management's estimate of useful life is lower, either at the time of acquisition, or during a subsequent review, the depreciation is provided at a higher rate based on management's estimate of the useful life/remaining useful life.

Depreciation has been provided at the following rates:

Asset Description	Depreciation Rate (% p.a.)
Leasehold land and premises	2.00
Installations, furniture and work of art	10.00
Equipment (including Telecom Equipment and Telephone Systems)	15.00
Racks, structured cables, Other computer hardware and related equipment	20.00
Personal computers along with operating systems (Desktop/Laptop/Monitor/Desktop printer)	33.33
Software (Internally developed / Purchased)	10.00/20.00/33.33
LAN printers, servers, scanners, fax machines	25.00
Vehicles	25.00

Installations in leased premises are depreciated over a period which includes initial lease term and one renewal.

If there is any indication that an asset is impaired, the Bank estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Profit and Loss account. If at the balance sheet date, there is an indication that a previously

assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

6) Employee benefits

Retirement and other Employee benefits are accounted in accordance with AS 15 – Employee Benefits.

(a) Provident fund (Defined Contribution Scheme)

The Bank contributes to an excluded provident fund for all its employees which is an approved trust as per the Income tax Act, 1961. The contributions are accounted for on an accrual basis and recognized in the Profit and Loss account as expenditure.

(b) Superannuation (Defined Contribution Scheme)

The Bank contributes to a superannuation fund for eligible employees. The contributions are accounted for on an accrual basis and recognized in the Profit and Loss account as expenditure.

(c) Gratuity (Defined Benefit Scheme)

The Bank provides for its gratuity liability based on actuarial valuation as at the balance sheet date which is carried out by an independent actuary using the Projected Unit Credit Method. The Bank contributes to gratuity fund which is managed by Life Insurance Corporation of India..

(d) Pension

The Bank provides for its pension liability for eligible employees based on actuarial valuation of the pension liability as at the balance sheet date which is carried out by an independent actuary using the Projected Unit Credit Method. The contributions to the pension fund are managed by Life Insurance Corporation of India and Pension Annuities are processed by Life Insurance Corporation of India as and when the eligible employee retires or resigns.

(e) Compensated absences

The Bank provides for its leave encashment liability for eligible employees who are permitted to accumulate leave, based on actuarial valuation as at the balance sheet date which is carried out by an independent actuary using the Projected Unit Credit Method.

(f) Resettlement allowance

The Bank provides for resettlement allowance liability, for eligible employees (Award staff who are promoted as officers and separated from the organization with 25 years of service) who are offered six months' pay at the time of separation, based on actuarial valuation performed by an independent actuary using the Projected Unit Credit Method as at the balance sheet date.

IV. Significant accounting policies (Continued)

(g) Long term service award cost

The Bank provides for long term service liability, for eligible employees based on length of service, based on actuarial valuation performed by an independent actuary using the Projected Unit Credit Method as at the balance sheet date.

7) Income recognition

Interest income is recognised in the Profit and Loss account on an accrual basis, except in the case of interest on non-performing assets, which is recognised as income on receipt in accordance with RBI Master Circular - DBR.No.BP.BC. 2/21.04.048/ 2015-16 dated July 1, 2015 and amendments thereto.

Fees and commission income is recognised when earned except when it is in the nature of yield enhancement. Yield enhancement fees and commission are deferred, along with related expenses including loan origination expenses and amortised over the life of the underlying asset and recognized under Interest Income.

Gain arising on securitisation is amortised over the life of security issued/to be issued by the SPV ('special purpose vehicle') with upfront recognition of retained service costs. Loss is recognized immediately in the Profit and Loss account.

Recoveries from bad debts written-off are recognized in the Profit and Loss account and included under other income.

8) Provision for reward points on credit/debit cards

The Bank has a program of awarding reward points to credit card and debit cards customers based on their spends. Provisions for reward points which are pending redemption by customers are made using historical redemption trends to estimate the probable utilization of outstanding unredeemed reward points. Such provisions are also assessed on a monthly basis and excess provisions (if any) are retained. The provisioning treatment confirms to the opinion given by the Expert Advisory Committee of the Institute of Chartered Accountants of India (the ICAI). In case of specific co-branded cards where rewards are offered through the partner firm, provisions are created for the entire amount due to the partner firm as per terms of the arrangement and remaining unpaid as of the reporting date.

9) Taxation

Income tax comprises the current tax (i.e. amount of tax for the period, determined in accordance with the Income Tax Act, 1961 and the rules framed thereunder) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the year).

Provision for current income-tax is recognized in accordance with the provisions of Income-Tax Act, 1961 and after due consideration of relevant judicial decisions and statutory provisions.

9) Taxation (Continued)

The Bank accounts for deferred taxes in accordance with the provisions of AS 22, Accounting for Taxes on Income.

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realized in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realization of such assets.

Deferred tax assets are reviewed at the balance sheet date and appropriately adjusted to reflect the amount that is reasonably/virtually certain to be realized.

10) Accounting for leases

Assets taken on lease are accounted for in accordance with provisions of AS 19, Leases.

Operating leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating leases. Operating lease rentals are recognised as an expense on a straight-line basis over the lease period.

Financial leases

Assets taken on finance lease are recognised as fixed assets. An equivalent liability is created at the inception of the lease. Rentals paid are apportioned between finance charge and principal based on the implicit rate of return in the contract. The finance charge is shown as interest expense and the principal amount is reduced from the liability. The assets acquired under the lease are depreciated over the lease term, which is reflective of the useful life of the leased asset.

11) Provisions, contingent liabilities and contingent assets

In accordance with AS 29, Provisions, Contingent Liabilities and Contingent Assets, the Bank creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources embodying economic benefits and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that will require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent liability reported in Schedule 12 of Balance Sheet under "Claims against the bank not acknowledged as debts" claim amounts not fully provided for and considered as contingent liability.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

13.3. Liquidity coverage ratio

Qualitative Disclosure

The Basel Committee on Banking Supervision ('BCBS') prescribed the Liquidity Coverage Ratio (LCR) standard to promote short-term resilience of banks to potential liquidity disruptions by ensuring that they have sufficient high quality liquid assets ('HQLAs') to meet its liquidity requirements for a 30 calendar day time horizon under a significantly severe liquidity stress scenario specified by regulators. LCR is defined as a ratio of HQLA to the total net cash outflows in a liquidity stress scenario estimated for the next 30 calendar days.

RBI introduced the LCR requirement with an initial requirement of 60% minimum LCR from January 1, 2015 with a staggered increase to 100% by January 1, 2019.

During FY 2020-21, as part of Covid19 related relief measures and in order to accommodate the burden on bank's cash flows on account of the Covid19 pandemic, RBI, vide its notification dated April 17, 2020 on '**Basel III Framework on Liquidity Standards – Liquidity Coverage Ratio (LCR)**', lowered the LCR requirement to 80% from April 17, 2020 with gradual phase back to 90% from October 1, 2020 and to 100% from April 1, 2021.

For Foreign Banks operating as branches in India, the framework is applicable on a standalone basis (i.e. for Indian operations only).

The Bank's balance sheet and liquidity is managed on a day-to-day basis by the centralized Treasury function with governance oversight by the Asset Liability Management Committee (ALCO). The Bank follows a comprehensive approach to balance sheet liquidity management with a balanced funding profile maintained across retail and corporate customers, diversification across client segments and prudent levels of funding concentrations. The Bank meets its customer loan funding requirements primarily through customer deposits and is not dependent on interbank or market funding to fulfill its requirements.

The Bank maintains HQLA primarily in the form of Government securities over and above Statutory Liquidity Ratio ('SLR') requirements as also HQLA eligible securities including foreign sovereign securities.

The Bank strategically focuses on operating account liabilities to drive its Balance Sheet growth, with current and savings account ('CASA') deposits ratio at 59.6% as of March 31, 2021. The weighted cash outflows are calibrated largely by the operational nature of the Bank's deposit base and the significant proportion of retail deposits. The other contingent funding obligations primarily includes bank guarantees (BGs) and letters of credit (LCs) issued on behalf of the Bank's clients. Liquidity requirement of the Bank on account of market valuation changes for derivative transactions has also been considered, based on the prescribed look back approach.

The weighted cash inflows are largely driven by scheduled loan maturities and short term placements and are capped at 75% of weighted cash outflows as per guidelines. For FY 2020-21, HQLA includes the eligible amounts under the Facility to Avail Liquidity for Liquidity Coverage Ratio ('FALLCR') & Marginal Standing Facility ('MSF') facilities as per the RBI guidelines applicable during the year. The following table sets forth, the quarterly average of unweighted and weighted values of the LCR of the Bank. The simple average has been computed based on daily values for the year ended March 31, 2021.

13.8. Provision for client's unhedged foreign currency exposure ('UFCE')

The assessment of client's unhedged foreign currency exposure is an ongoing process at the Bank. The Bank undertakes an assessment of the risks arising out of the foreign currency exposure of their corporate clients and takes suitable steps to insulate it from such risks. These steps include (i) rigorous assessment of foreign exchange (FX) risks for a client during annual review of its credit facilities including under stress testing/downside scenarios and, if found material, taking necessary steps such as Rating / Classification / Exposure review; (ii) strict adherence to internal governance standards set (viz. Suitability and Appropriateness assessment, Derivative Sales Practices) pertaining to marketing of facilities with pre-settlement risks; (iii) daily monitoring of mark-to-market (MTM) exposures on its derivative trades with clients; (iv) periodic stress testing of MTM exposures to identify potential scenarios and clients where pre-settlement risk exposures increase significantly which will also impact the credit risk. The Bank obtains a self-declaration from its corporate clients on a quarterly basis (requiring statutory auditor certification once annually) seeking information on unhedged FX exposure for the purpose of determining adequate provisions in line with the extant RBI guidelines. Wherever risks arising out of FX exposure are assessed as increased and become material, the Bank may exercise a number of options to mitigate such risks.

Foreign currency (FCY) loans extended to corporate obligors where those obligors have not entered into corresponding hedges with the Bank are reviewed on a monthly basis to identify potentially-at-risk clients who do not enjoy natural hedge in their business or which are not supported by MNC parents. The Bank currently draws comfort from the fact that a very small portion of its FCY loans are to clients in this category

In accordance with guidelines issued by RBI vide circular DBOD.No.BP.BC.85 /21.06.200/2013-14 dated January 15, 2014 consolidated under RBI circular DBR .No. BP.BC.2 / 21.04.048 /2015-16 dated July 1, 2015, the incremental provisions and capital held by the Bank towards this risk as at March 31, 2021 is as follows:

13.9. Floating Provision

In accordance with the requirements laid down by RBI guidelines, the Bank has formulated a policy on floating provisions. The Bank continues to review the requirement for fresh provisions in accordance with this policy. There have not been any substantial changes in factors that were considered for the earlier assessment and as such there have been no incremental provisions required for the year ended March 31, 2021 (Previous Year: Nil). Floating provision outstanding as at March 31, 2021 has been included under Schedule 5 – Other liabilities and provisions.

13.18. Disclosure on risk exposure on derivatives

Qualitative disclosure

The Bank offers derivative products to customers by applying prudential criteria of suitability and appropriateness vis-à-vis customers based on applicable regulations as prescribed by RBI and existence of underlying exposures. The product offering is managed by the Treasury front office which comprises of sales and trading teams. Settlement and reporting of credit risks of all deals is undertaken by the back office & Credit Risk Management Services respectively. An independent middle office is responsible for monitoring and reporting P&L numbers on a daily basis to management. Further, Market Risk Management unit, assigned with the responsibility for setting up market risk limits and monitoring utilizations operates independent of business. These separate units with different reporting lines ensure that market and credit risks are independently measured, monitored and reported to ensure objectivity and transparency in risk-taking activities.

The Bank makes market in all permitted Over The Counter (OTC) derivative transactions for its customers and in the interbank market. The Bank also uses some of these derivatives for hedging its assets and liabilities. The Bank is also a trading member on the exchange for exchange traded foreign currency and interest rate futures.

The Bank is integrated into the overall group-wide risk and control framework, balancing senior management oversight with well-defined independent risk management functions. It is the responsibility of the senior management of the Bank to implement group's policies and practices, to oversee risk management, and to respond to the needs and issues of the Bank. The Bank's current policy is to control material market risks through a framework of limits and triggers which are approved by the Country Coordinating Committee ('CCC') and to manage any residual exposure through a series of sensitivity analysis, scenario tests and robust controls over calculating, monitoring and reporting results.

The Risk management unit plays a key role in sanctioning of the limits, and laying down the risk assessment and monitoring methods. The policies of the Bank include setting limits upon the currency position, products specific gaps, maximum tenor, overall outstanding and also setting-up of counterparty wise pre-settlement risk limits.

Limits are monitored on a daily basis by the Treasury and Risk management unit. Exposure reports are submitted to the Treasurer as well as the Head-Risk management unit, and any limit excesses are brought to the notice of management in a timely manner.

In any derivative transaction undertaken with the counterparty, the Bank is exposed to the risk of replacing the contract at a loss if the counterparty were to default. Such credit exposure on derivatives is measured and monitored using the Current Exposure Method by adding the positive mark-to-market and an estimate of the potential future exposure due to change in the market value of the contract. The Bank has processes to monitor such exposure on each of the counterparties. Appropriate credit mitigants are used, where required as trigger events, to call for collaterals or terminate a transaction and contain the risk.

16. In accordance with the requirements of the RBI Circular No. DBOD.NO.BC.72/29.67/001/2011-12 dated January 13, 2012, the Head Office of the Bank has submitted a declaration to RBI that the bank's compensation policies including that of CEO's, is in conformity with the Financial Stability Board principles and standards.

17. Segment Information*Business segment*

In line with RBI guidelines on Segment Reporting, the Bank has identified the following segments as primary reportable segments: Treasury, Corporate banking, Retail banking and Other banking business.

Under the 'Treasury' segment, the Bank undertakes trading operations on proprietary account, investments in corporate debt, government securities, funding and gapping products and derivatives trading. Revenues of this segment consist of interest earned on funding and gapping activities, investment income and gains/loss on government securities and debentures/bonds, income from foreign exchange, derivative transactions and underwriting commission from primary dealership business. The principal expenses of this segment consist of interest expense on funds borrowed from external sources and other internal segments, personnel costs, other direct overheads and allocated expenses.

Under the 'Corporate banking' segment, the Bank raises deposits and provides loans and offers trade and transaction services to customers. This also includes asset backed finance. Revenues of this segment consist of interest and fees earned on loans made to customers and income from offering trade and transaction services to customers. The principal expenses of the segment consist of interest expense on funds used for customer lending, personnel costs, other direct overheads and allocated expenses.

(Continued)****17. Segment Information (Continued)**

Under the 'Retail banking' segment, the Bank serves retail customers through a branch network and other approved delivery channels. Exposures are classified under Retail banking taking into account the orientation, product, granularity and individual exposure criterion. This segment raises deposits and provides loans to such customers. Revenues of the Retail banking segment are derived from interest earned on retail loans, fees for banking and interest earned from other segments for surplus funds placed with those segments. Expenses of this segment primarily comprise interest expense on deposits, infrastructure for operating the branch network and other delivery channels, personnel costs, other direct overheads and allocated expenses.

'Other Banking' segment includes all other banking operations, which are not included under the above segments. Revenue from this segment consists of insurance referral fees and income from distribution of mutual fund products. The principal expenses of this segment consist of personnel costs, other direct overheads and allocated expenses.

Segment Revenues include inter-segment transfer of earnings or charge from other segments on account of funds transferred at negotiated rates, which generally reflect the market rates.

Unallocated segment income, expense, assets and liabilities include items which are not allocable to other segments. These include gain/ loss on sale of fixed assets, fixed assets, tax expense, advance taxes, deferred tax etc.

At the year end, the Bank has reviewed and ensured that adequate provision as required under any law / accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) has been made in the books of account.

27. Description of nature of contingent liabilities is set out below:

i) Claims against the Bank not acknowledged as debt

This includes loss contingencies that may arise from the risk of exposure resulting from pending or threatened litigation, claims or assessments pertaining to legal cases and tax claims against the Bank known as at the balance sheet date. Such loss contingencies are assessed by the Bank on the probability of a liability arising on the Bank and in cases where a loss is probable and reasonably estimable, a loss provision is accrued. Contingent liability reported in Schedule 12 of Balance Sheet under "Claims against bank not acknowledged as debts" is net of provision amount held against the claims, which are classified as probable or reasonably possible. The Bank has documented the processes and operating procedures for classification of cases into the above categories basis the nature of claims

ii) Liability on account of forward exchange and derivative contracts

The Bank enters into foreign exchange contracts, currency options, currency swaps with inter-bank participants on its own account and for the customers. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. Currency swaps are commitments to exchange cash flows by the way of interest/principal in one currency against another, based on pre-determined rates. Interest rate swaps and forward rate agreements are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded, as contingent liabilities are typically amounts used as a benchmark for the calculation of interest component of the contract. The amount reported as contingent liability under Schedule 12 - II comprises of currency derivatives and Schedule 12- III comprises of interest rate derivatives.

27. Description of nature of contingent liabilities is set out below: (Continued)

iii) Guarantees given on behalf of Constituents, Acceptances, Endorsement and other obligations

As a part of its corporate banking activities, the Bank issues documentary credit and guarantees on behalf of its customers. Documentary credits such as letters of credit enhance the credit standing of the customer of the Bank. Guarantees represent irrevocable assurances that the Bank will make the payment in the event of the customer failing to fulfill its financial or performance obligations. This also includes guarantees issued to offshore Citi entities for extension of credit to obligors in India or to offshore subsidiaries of obligors (parent) domiciled in India, as permissible under the Foreign Exchange Management Act, 1999. Pursuant to RBI circular RBI/2010-2011/220/DBOD.Dir.BC.46 /13.03.00/2010-2011 dated September 30, 2010, commitments by the Bank to effect payments on behalf of its constituents to stock exchanges are reflected as financial guarantees. 28. Employee share-based payments

Citigroup Inc, the ultimate holding company of the Bank has share based incentive plans applicable to management staff in its employment. Staff of the Bank who fulfill the relevant eligibility criteria participate in the said plans. The ultimate parent distributes its shares to the eligible staff which is listed. The cost of such awards is accrued by the Bank basis the grant price over the vesting period on a straight line basis. Subsequent to vesting date, the fair value of such shares is settled with the ultimate parent and changes between the fair value and accrued liability is accounted in the Profit and Loss account of the Bank.

Accordingly, during the year, the Bank has accrued an amount of Rs. 1,987 lakhs (Previous Year: Rs. 1,836 lakhs) under the head "Payments to and provisions for employees", as cost of such awards granted to employees. The Bank has not accounted any expense during the year (Previous Year: Rs.312 lakhs) attributable to difference between share prices on the grant date and the vesting date based on settlement with the ultimate parent.

(Previous Year: Nil)

42. In January 2016, the Ministry of Corporate Affairs issued the roadmap for implementation of new Indian Accounting Standards (Ind AS), which largely converges with International Financial Reporting Standards (IFRS), for scheduled commercial banks, insurance companies and non-banking financial companies (NBFCs).

Based on RBI directions, the Bank has formed a Steering Committee to oversee Ind AS implementation which has members from Risk, Operations & Technology, Compliance and Finance. The Committee oversees the progress of Ind AS implementation in the Bank, and provides guidance on critical aspects of the implementation. An update on the implementation status is also submitted to the Local Operations Committee at quarterly intervals. Bank is also submitting quarterly Proforma Ind AS financial statements to RBI

The RBI in its press release issued on March 22, 2019 has deferred the applicability of Ind AS until further notice for Scheduled Commercial Banks.

(Continued)****43. COVID – 19**

In addition to the widespread public health implications, the COVID-19 pandemic has had an extraordinary impact on macroeconomic conditions around the world. Citi's businesses, results of operations and financial condition have been impacted by economic dislocations and trends caused by the pandemic. Despite these impacts, Citi has maintained strong capital and liquidity positions with consistently strong business operations. Governments and central banks globally have taken a series of aggressive actions to support their economies and mitigate the systemic impacts of the pandemic, and Citi continues to proactively assess and utilize these measures where appropriate.

Consequent to the outbreak of the COVID-19 pandemic, the Indian government announced a lockdown in March 2020. Subsequently, the national lockdown was lifted by the government, but regional lockdowns continue to be implemented in areas with a significant number of COVID-19 cases.

The impact of COVID-19, including changes in customer behavior and pandemic fears, as well as restrictions on business and individual activities, has led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. This may lead to a rise in the number of customer defaults and consequently an increase in provisions there against. The extent to which the COVID-19 pandemic, including the current "second wave" that has significantly increased the number of cases in India, will continue to impact the Bank's financial results, including credit quality and provisions, will depend on ongoing as well as future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by us.

In accordance with the RBI guidelines relating to COVID-19 Regulatory Packages dated March 27, 2020, April 17, 2020 and May 23, 2020, the Bank had granted moratorium on the payment of all instalments and / or interest, as applicable, falling due between March 01, 2020 and August 31, 2020 to all eligible borrowers in accordance with the Board approved policy. For all such accounts where the moratorium was granted, the asset classification remained standstill during the moratorium period.

44. Refund / Adjustment of Interest in Interest

In accordance with the instructions in the paragraph 5 of the RBI Circular on 'Asset Classification and Income Recognition following the expiry of Covid-19 regulatory package' dated April 07, 2021, the Bank shall refund/ adjust 'interest on interest' to all borrowers including those who had availed of working capital facilities during the moratorium period, irrespective of whether moratorium had been fully or partially availed, or not availed.

Pursuant to these instructions, the methodology for calculation of the amount of such 'interest on interest' would be finalised by the Indian Banks Association ('IBA') in consultation with other industry participants / bodies and is awaited as on the date of approval of financial statements. The Bank has however estimated the said amount and recognized a charge of Rs. 1,102 lakhs in its Profit and Loss Account for the year ended March 31, 2021.

45. GCB Exit

Citigroup Inc, Citi, the ultimate shareholder of the Company, on April 15, 2021, announced strategic actions in Global Consumer Banking ('GCB')—as part of an ongoing strategic review—to direct investments and resources to the businesses where it has the greatest scale and growth potential. As a result, Citi intends to pursue exits from its consumer franchises in 13 markets across EMEA and Asia region, which includes India. Citigroup's Institutional Clients Group will continue to serve clients in these markets.

The Bank is evaluating an exit of the GCB Business in India via a sale transaction. The management has not approved entering into any binding sale agreement, as at the date of adoption of this financial statements. Consequently the outcome of the same is not definitively ascertained.
