The Committee's authority shall include, but not be limited to, the authority to (i) determine the type of Awards to be granted under the Plan; (ii) select Award recipients and determine the extent of their participation; and (iii) establish all other terms, conditions, limitations, and restrictions applicable to Awards, Award programs and the shares of Common Stock issued pursuant thereto. Subject to the limitations set forth in the Plan, the Committee may suspend, accelerate, or defer the vesting or payment of Awards, cancel or modify outstanding Awards, waive any conditions or restrictions imposed with respect to Awards or the Common Stock issued pursuant to Awards, and make
-

any and all other determinations that it deems appropriate with respect to the administration of the Plan. For purposes of this Plan, except as otherwise determined by the Committee, the term "vest" shall mean that the Participant has satisfied all conditions precedent imposed by the Plan and the related Award Agreement to his or her exercise of an Option or SAR. Any decision of the Committee made in accordance with this Section 4 shall be final, binding, and conclusive on all parties concerned, including the Company, its stockholders and Subsidiaries, and all Participants.

- (b) **Administration of the Plan.** The administration of the Plan shall be managed by the Committee. The Committee shall have the power to prescribe and modify, as necessary, the form of Award Agreement, to correct any defect, supply any omission, or clarify any inconsistency in the Plan and/or in any Award Agreement and to take such actions and make such administrative determinations that the Committee deems appropriate.
- (c) **Delegation of Authority.** To the extent not inconsistent with applicable law, the rules of the New York Stock Exchange, or other provisions of the Plan, the Committee may at any time delegate to a Plan Administrator some or all of its authority over the administration of the Plan, with respect to persons who are not Section 16(a) Officers. Actions taken or determinations made by or ratified by a duly authorized Plan Administrator shall have the same force and effect as if undertaken or made by the Committee, and all references in the Plan to the Committee (except with respect to actions or determinations related exclusively to Section 16(a) Officers) shall be deemed to include a reference to a duly authorized Plan Administrator.
- (d) **Prohibition Against Repricing.** Notwithstanding any provision of the Plan to the contrary, in no event shall any action be taken under the Plan that constitutes a Repricing of any Option or SAR granted under the Plan, or of any option or stock appreciation right granted under the Prior Plans or of an acquired company, except with approval of the stockholders of the Company.
- (e) **Indemnification.** No member of the Committee or any Plan Administrator shall be personally liable for any action or determination made with respect to the Plan, except for his or her own willful misconduct or as expressly provided by statute. The members of the Committee and every Plan Administrator shall be entitled to indemnification and reimbursement from the Company, to the extent permitted by applicable law and the By-laws and policies of the Company. In the performance of its functions under the Plan, the Committee (and each member of the Committee and every Plan Administrator) shall be entitled to rely in good faith upon information and advice furnished by the Company's officers, employees, accountants, counsel, and any other party they deem appropriate, and neither the Committee nor any Plan Administrator shall be liable for any action taken or not taken in reliance upon any such advice.

5. Participation

- (a) **Eligible Employees.** The Committee shall determine which Employees shall be eligible to receive Awards under the Plan, provided that consultants and advisors (other than members of the Board in their roles as such) shall not be eligible to receive Awards under the Plan. Former Employees may be eligible to receive Awards under the Plan, with respect to their last year of service or in connection with a sale, spin-off or other similar transaction. With respect to Employees subject to U.S. income tax, Options and SARs (unless Substitute Awards) shall only be granted to such Employees who provide direct services to the Company or a Subsidiary of the Company as of the date of grant of the Option or SAR.
 - (b) **Participation by Employees of Subsidiaries.** Employees of Subsidiaries may participate in the Plan upon approval of Awards to such Employees by the Committee. Awards to Employees of Subsidiaries may be conditioned upon the Subsidiary's agreement to reimburse the Company for costs and expenses of such participation, as determined by the Committee.
 - (c) **Participation Outside of the United States.** In order to facilitate the granting of Awards to Employees who are foreign nationals or who are employed outside of the U.S., the Committee may provide for such special terms and conditions, including, without limitation, substitutes for Awards, as the Committee may consider
-

necessary or appropriate to accommodate differences in local law, tax policy, or custom. Any special terms or conditions adopted by the Committee in accordance with this Section 5(c) may be set forth in a sub-plan, which shall constitute a part of this Plan; provided that the terms and conditions of any such sub-plan shall not be inconsistent with the terms and conditions of this Plan, as then in effect.

(d) **Maximum Individual Awards**

- (i) **Limits on Awards to Directors.** The maximum number of shares of Common Stock subject to Awards granted during a single calendar year to any Director, taken together with any cash fees paid during the calendar year to the Director, in respect of the Director's service as a member of the Board during such year (including service as a member or chair of any committees of the Board), shall not exceed \$1,000,000 in total value (calculating the value of any such Awards based on the grant date fair value of such Awards in accordance with GAAP). The independent members of the Board may make exceptions to this limit for a non-executive chair of the Board, provided that the Director receiving such additional compensation may not participate in the decision to award such compensation.
- (ii) **Limits on Options and SARs.** The aggregate number of shares of Common Stock that may be subject to all Options and SARs granted to an individual Employee (other than as a Director) in a calendar year may not exceed 1,000,000 shares (subject to adjustment pursuant to Section 6(d)).
- (iii) **Limits on Stock Awards.** The aggregate number of shares of Common Stock that may be subject to all Stock Awards granted to an individual Employee (other than as a Director) in a calendar year may not exceed 1,000,000 shares (subject to adjustment pursuant to Section 6(d)).
- (iv) **Substitute Awards.** Notwithstanding the foregoing, shares subject to an Award that is a Substitute Award shall not count against any individual Award limit in this Section 5(d).

6. **Available Shares of Common Stock**

- (a) **Shares Subject to the Plan.** Common Stock issued pursuant to Awards granted under the Plan may be shares that have been authorized but unissued, or have been previously issued and reacquired by the Company, or both. Reacquired shares may consist of shares purchased in open market transactions or otherwise. Pursuant to and subject to the other provisions of this Section 6, the aggregate number of shares of Common Stock that may be issued pursuant to Awards granted under the Plan shall not exceed the sum of (i) thirty million (30,000,000) shares approved by stockholders of the Company effective April 16, 2019; and (ii) any additional number of shares that may be authorized for issuance pursuant to any amendments to the Plan approved by stockholders of the Company thereafter. Effective April 21, 2020, pursuant to an amendment to the Plan approved by stockholders of the Company, an additional 15 million (15,000,000) shares of Common Stock were authorized for issuance to Participants pursuant to Awards granted under the Plan. Effective April 27, 2021, pursuant to an amendment to the Plan approved by stockholders of the Company, an additional 20 million (20,000,000) shares of Common Stock were authorized for issuance to Participants pursuant to Awards granted under the Plan. Effective April 26, 2022, pursuant to an amendment to the Plan approved by stockholders of the Company, an additional 36 million (36,000,000) shares of Common Stock were authorized for issuance to Participants pursuant to Awards granted under the Plan. Effective April 25, 2023, pursuant to an amendment to the Plan approved by stockholders of the Company, an additional 28 million (28,000,000) shares of Common Stock were authorized for issuance to Participants pursuant to Awards granted under the Plan. Effective April 30, 2024, pursuant to an amendment to the Plan approved by stockholders of the Company, an additional 30 million (30,000,000) shares of Common Stock were authorized for issuance to Participants pursuant to Awards granted under the Plan. Effective April 29, 2025, pursuant to an amendment to the Plan approved by stockholders of the Company, an additional 30 million (30,000,000) shares of Common Stock were authorized for issuance to Participants pursuant to Awards granted under the Plan. Effective May 20, 2026, pursuant to an amendment to the Plan approved by stockholders of the Company, an additional 20 million (20,000,000) shares of Common Stock were authorized for issuance to Participants pursuant to Awards granted under the Plan.
-

- (b) **Forfeited and Expired Awards.** Awards granted under the Plan or the Prior Plans that, after the Effective Date, are forfeited, expire, or are cancelled or settled without issuance of shares shall not count against the maximum number of shares that may be issued under the Plan as set forth in Section 6(a) and shall be available for future Awards under the Plan. Notwithstanding the foregoing, all shares of Common Stock that are (i) withheld or tendered in payment of an Option exercise price or repurchased by the Company with Option exercise proceeds; (ii) withheld or tendered to satisfy any tax withholding obligation (in connection with any Option, SAR, Stock Award, or otherwise); (iii) covered by an option or SAR (to the extent that it would be settled in shares of Common Stock, without regard to the number of shares of Common Stock that are actually issued to the Participant upon exercise); (iv) withheld by the Company to satisfy any debt or other obligation owed to the Company or any Subsidiary; and (v) fractional shares of Common Stock that are cancelled pursuant to Section 7(f), shall be considered issued pursuant to the Plan and shall not be added to the maximum number of shares that may be issued under the Plan as set forth in Section 6(a). In addition, shares of Common Stock reacquired by the Company on the open market or otherwise using cash proceeds from the exercise of Options shall not be added to the maximum number of shares that may be issued under the Plan as set forth in Section 6(a).
- (c) **Other Items not Included in Share Limit.** The maximum number of shares that may be issued under the Plan as set forth in Section 6(a) shall not be affected by (i) the payment in cash of dividends or dividend equivalents in connection with outstanding Awards; or (ii) the grant of Substitute Awards. Any shares purchased by or on behalf of Participants in a dividend reinvestment program established under the Plan shall not count against the maximum number of shares that may be issued under the Plan as set forth in Section 6(a), provided that such shares are purchased in open-market transactions or are treasury shares purchased directly from the Company at Fair Market Value at the time of purchase.
- (d) **Adjustments.** In the event of any change in the Company's capital structure, including but not limited to a change in the number of shares of Common Stock outstanding, on account of (i) any stock dividend, stock split, reverse stock split, spinoff or any similar equity restructuring, or (ii) any combination or exchange of equity securities, merger, consolidation, recapitalization, reorganization, or divestiture or any other similar event affecting the Company's capital structure, or (iii) any change to the capital structure or event affecting the capitalization of the Company, to reflect such change in the Company's capital structure, the Committee shall make appropriate equitable adjustments to (i) the maximum number of shares of Common Stock that may be issued under the Plan as set forth in Section 6(a), and (ii) the maximum number of shares that may be granted to any single individual pursuant to the limits set forth in Section 5(d). In the event of any extraordinary dividend, divestiture, or other distribution (other than ordinary cash dividends) of assets to stockholders, or any transaction or event described above or in the applicable Award Agreement, to the extent necessary to prevent the enlargement or diminution of the rights of Participants, the Committee shall make appropriate equitable adjustments to the number or kind of shares subject to an outstanding Award, the exercise price applicable to an outstanding Award. The Company shall give each Participant notice of an adjustment to an Award hereunder, and any determination by the Committee under this Section 6(d) shall be deemed made pursuant to its authority under Section 4(a). Notwithstanding the foregoing, the Committee shall decline to adjust any Award made to a Participant if such adjustment would violate applicable law.

7. Awards Under the Plan

Awards under the Plan may be granted as Options, SARs, or Stock Awards, as described below. Awards may be granted singly, in combination, or in tandem as determined by the Committee. Subject to the terms of the Plan (including but not limited to the minimum vesting requirement of Section 7(d)), Awards shall have such terms, conditions, limitations, and restrictions as may be determined by the Committee from time to time, and may include vesting, forfeiture, cancellation and clawback provisions as may be required by applicable laws, rules or regulations or any applicable securities exchange listing standards or as may be imposed in accordance with Company policies or practices, in either case as may be in effect from time to time.

- (a) **Options.** Options shall expire after such period, not to exceed 10 years, as may be determined by the Committee. If an Option is exercisable in installments, such installments or portions thereof that become exercisable shall remain exercisable until the Option expires or is otherwise cancelled pursuant to its terms or the terms of the Plan. In no event shall any Option issued under the Plan be a "reload" Option or carry any similar rights.
-

- (i) **Exercise Price.** The Committee shall determine the exercise price per share for each Option, which shall not be less than 100% of the Fair Market Value on the grant date, unless the Option is a Substitute Award.
 - (ii) **Exercise of Options.** Upon satisfaction of the applicable conditions relating to vesting and exercisability, as determined by the Committee, and upon provision for the payment in full of the exercise price and applicable taxes due, the Participant shall be entitled to exercise the Option and receive the number of shares of Common Stock issuable in connection with the Option exercise. The shares issued in connection with the Option exercise may be subject to such conditions and restrictions as the Committee may determine, from time to time. An Option may be exercised by any method as may be permitted by the Committee from time to time, including but not limited to any "net exercise" or other "cashless" exercise method.
- (b) **Stock Appreciation Rights.** SARs granted under the Plan shall expire after such term, not to exceed 10 years, as may be determined by the Committee. The exercise price per share of Common Stock subject to a SAR shall not be less than 100% of Fair Market Value on the grant date, unless the SAR is a Substitute Award.
- (c) **Stock Awards**
- (i) **Stock Payment.** Subject to the terms of the Plan, the Committee may grant vested shares of Common Stock as a Stock Payment. A Stock Payment may be in lieu of cash compensation, but may be subject to restrictions on sale or transfer, or cancellation and recoupment, as determined by the Committee. A Stock Payment under the Plan may be granted as, or in payment of, a bonus determined pursuant to any other plan. Any shares of Common Stock granted as a Stock Payment in lieu of cash compensation shall be valued at their Fair Market Value.
 - (ii) **Restricted Stock.** Upon satisfaction of all conditions to vesting and any tax withholding obligations, and upon the lapse of any post-vesting restrictions on sale or transfer, shares of Common Stock subject to a Restricted Stock Award shall be delivered to a Participant free of restriction.
 - (iii) **Deferred Stock.** A Deferred Stock Award represents only an unfunded, unsecured promise to deliver shares of Common Stock in the future and does not give a Participant any greater rights than those of an unsecured general creditor of the Company. Upon satisfaction of all conditions to vesting and any tax withholding obligations, shares of Common Stock subject to a vested Deferred Stock Award will be issued, and upon the lapse of any post-vesting restrictions on sale or transfer, such shares of Common Stock will be delivered to a Participant free of restriction.
 - (iv) **Other Stock-Based Awards.** To the extent not prohibited by applicable law, the Committee may grant any other Award that is denominated in shares of Common Stock and that may be settled in cash and/ or by the delivery of shares of Common Stock (for the avoidance of doubt, an award that by its terms may be settled only in cash shall not be an Award under this Plan).
- (d) **Minimum Vesting Requirement.** Notwithstanding any other provision of the Plan to the contrary, Awards granted under the Plan shall vest no earlier than the first anniversary of the date on which the Award is granted; provided, that the following Awards shall not be subject to the foregoing minimum vesting requirement: any (i) Substitute Awards, (ii) Awards to Directors that vest on the earlier of the one-year anniversary of the date of grant and the next annual meeting of stockholders which is at least 50 weeks after the immediately preceding year's annual meeting, (iii) shares of Common Stock delivered in lieu of fully vested cash obligations, and (iv) any additional Awards the Committee may grant, up to a maximum of five percent (5%) of the available share reserve authorized for issuance under the Plan pursuant to Section 6(a) (subject to adjustment under Section 6(d)); and, provided, further, that the foregoing restriction does not apply to the Committee's discretion to provide for accelerated exercisability or vesting of any Award, including in cases of retirement, death, disability, leave of absence, termination of employment, Change in Control, upon the sale or other disposition of a Participant's employer, or any other similar event, as specified in the Award Agreement.
-

(e) **Performance-Based Awards**

- (i) The Committee may grant Awards that are subject to the achievement of one or more Performance Conditions related to a period of performance of not less than one year.
- (ii) Performance Conditions may be expressed in either, or a combination of, absolute or relative values or a percentage of: revenue, revenue or product growth, net income (pre- or after-tax), earnings, earnings per share, stockholders' equity or return on stockholders' equity, assets or return on assets, return on risk-adjusted assets, capital or return on capital, return on risk capital, return on tangible common equity, book value or book value per share, tangible book value per share, economic value-added models or equivalent metrics, operating income, pre- or after-tax income, expenses or reengineering savings, margins, cash flow or cash flow per share, stock price, total shareholder return, market share, debt reduction, net promoter scores, operating efficiency ratios, expense ratios, liquidity ratios, regulatory achievements or any objective or subjective Performance Conditions selected by the Committee. In addition, such Performance Conditions may be used on an absolute or relative basis to measure the performance of the Company as a whole, any business unit(s) of the Company and its Subsidiaries and/or one or more of its branches or affiliates, or the performance of an individual Participant, and may be used in any combination as the Committee may deem appropriate. Such Performance Conditions may also be based on performance determined on a per share basis (either basic or fully diluted) and/or as compared to the performance of a group of peer or comparator companies, prior performance periods, a published or special index or indices that the Committee deems appropriate, or such other measures selected or defined by the Committee at the time such Performance Conditions are established.
- (iii) Subject to Section 11, to the extent necessary to prevent the enlargement or diminution of the rights of Participants, the Committee shall make appropriate equitable adjustments to any Performance Condition, including (but not limited to) with respect to items determined to be extraordinary or unusual in nature or infrequent in occurrence, or that are related to discontinued operations, the disposal of a business or assets, or a change in accounting principle under GAAP, or that are attributable to the business operations of any entity acquired by the Company or a Subsidiary during a relevant performance period;
- (f) **Fractional Shares.** The Company shall not be obligated to issue any fractional shares of Common Stock in settlement of Awards granted under the Plan. If an Award includes or results in an entitlement to a fractional share for any reason, the Award shall be settled in full by issuance of the maximum whole number of shares of Common Stock the Participant is entitled to receive pursuant to the terms of the Award (upon satisfaction of all applicable conditions to the issuance of shares) and the Company may cancel the fractional share without any compensation to the Participant.

8. Dividends and Dividend Equivalents

The Committee may provide that Stock Awards shall earn dividends or dividend equivalents. Such dividends or dividend equivalents may be paid currently or may be credited to an account maintained on the books of the Company. Any payment or crediting of dividends or dividend equivalents will be subject to such terms, conditions, limitations, and restrictions as the Committee may establish, from time to time, including, without limitation, reinvestment in additional shares of Common Stock or common share equivalents. Notwithstanding the foregoing, the Committee may not provide for the current payment of dividends or dividend equivalents with respect to any shares of Common Stock subject to an Award with a Performance Condition; for such Awards, the Committee may only provide for the accrual of dividends or dividend equivalents that will not be payable to a Participant unless and until, and only to the extent that, the shares of Common Stock subject to the Award vest upon satisfaction of the relevant Performance Condition and all other applicable conditions to vesting. Dividend or dividend equivalent rights shall be as specified in the Award Agreement, or pursuant to a resolution adopted by the Committee with respect to outstanding Awards. No dividends or dividend equivalents shall be paid on Options or SARs.

9. Voting

Unless the Committee has determined otherwise, a Participant shall have the right to direct the vote of issued and outstanding shares of Common Stock subject to continuing restrictions pursuant to the terms of a Stock Award under the Plan. All such shares shall be voted by the Plan Administrator in accordance with instructions received from Participants (unless to do so would constitute a violation of any applicable exchange rules). Any such shares as to which no instructions are received shall be voted by the Plan Administrator proportionately in accordance with instructions received with respect to all other such shares and with respect to shares underlying awards granted pursuant to a Prior Plan that are also subject to continuing restrictions.

10. Nontransferability

Awards granted under the Plan, and during any period of restriction on transferability, shares of Common Stock issued in connection with the exercise of an Option or a SAR, or vesting of a Stock Award, may not be sold, pledged, hypothecated, assigned, margined, or otherwise transferred by a Participant in any manner other than by will or the laws of descent and distribution, unless and until the shares underlying such Award have been issued, and all restrictions applicable to such shares have lapsed or have been waived by the Committee. No Award or interest or right therein shall be subject to the debts, contracts, or engagements of a Participant or his or her successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment, or any other means whether such disposition be voluntary or involuntary or by operation of law, by judgment, lien, levy, attachment, garnishment, or any other legal or equitable proceedings (including bankruptcy and divorce), and any attempted disposition thereof shall be null and void, of no effect, and not binding on the Company in any way.

Notwithstanding the foregoing, the Committee may permit Options and/or shares issued in connection with an Option or a SAR exercise that are subject to restrictions on transferability to be transferred one time and without payment or consideration to a member of a Participant's immediate family or to a trust or similar vehicle for the benefit of a Participant's immediate family members. During the lifetime of a Participant, all rights with respect to Awards shall be exercisable only by such Participant or, if applicable pursuant to the preceding sentence, a permitted transferee.

11. Change of Control of the Company

- (a) The Committee may, at the time an Award is made or at any time prior to or coincident with a Change of Control:
- (i) provide for the adjustment of any Performance Conditions as the Committee deems necessary or appropriate to prevent the enlargement or diminution of the rights of the Participants;
 - (ii) provide for the cancellation of any Awards then outstanding if the surviving entity or acquiring entity (or the surviving or acquiring entity's parent company) in the Change of Control replaces the Awards with new rights of substantially equivalent value;
 - (iii) provide that upon an involuntary termination of a Participant's employment as a result of a Change of Control, any time periods shall accelerate, and any other conditions relating to the vesting, exercise, payment, or distribution of an Award shall be waived; or
 - (iv) provide that Awards shall be purchased for an amount of cash equal to the amount that could have been obtained for the shares covered by a Stock Award if it had been vested or by an Option or SAR if it had been exercised at the time of the Change of Control.
- (b) Notwithstanding any other provisions of the Plan or an Award Agreement to the contrary, the vesting, payment, purchase, or distribution of an Award may not be accelerated by reason of a Change of Control for any Participant unless the Participant's employment is involuntarily terminated as a result of the Change of Control. For purposes
-

of this Section 11, a Participant's employment will be deemed to have been involuntarily terminated as a result of a Change of Control if it is involuntarily terminated other than for Cause at any time beginning on the date of the Change of Control up to and including the first anniversary of the Change of Control.

- (c) A "Change of Control" shall be deemed to occur if and when:
- (i) any person, including a "person" as such term is used in Section 14(d)(2) of the 1934 Act (a "Person"), is or becomes a beneficial owner (as such term is defined in Rule 13d-3 under the 1934 Act), directly or indirectly, of securities of the Company representing 30% or more of the combined voting power of the Company's then outstanding securities;
 - (ii) individuals who, as of the Effective Date, constitute the Board (the "Incumbent Board") cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the Effective Date whose election, or nomination for election by the Company's stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board, shall be considered as though such individual were a member of the Incumbent Board, but excluding for this purpose any such individual whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such terms are used in Rule 14a-11 of Regulation 14A promulgated under the 1934 Act) or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board;
 - (iii) all or substantially all of the assets of the Company are sold, transferred, or distributed, or the Company is dissolved or liquidated; or
 - (iv) a reorganization, merger, consolidation, or other corporate transaction involving the Company (a "Transaction") is consummated, in each case, with respect to which the stockholders of the Company immediately prior to such Transaction do not, immediately after the Transaction, own more than 50% of the combined voting power of the Company or other corporation resulting from such Transaction in substantially the same respective proportions as such stockholders' ownership of the voting power of the Company immediately before such Transaction.

12. Award Agreements

Each Award under the Plan shall be evidenced by an Award Agreement (as such may be amended from time to time) that sets forth the terms, conditions, restrictions, and limitations applicable to the Award, including, but not limited to, the provisions governing vesting, exercisability, payment, forfeiture, cancellation, and termination of employment, all or some of which may be incorporated by reference into one or more other documents delivered or otherwise made available to a Participant in connection with an Award. The Committee need not require the formal execution or acceptance of such document by the Participant, in which case acceptance of any benefit of the Award by the Participant shall constitute agreement by the Participant to the terms, conditions, restrictions, and limitations set forth in the Plan and the Award Agreement as well as the administrative guidelines and practices of the Company in effect from time to time. Any assertion by an Employee that any term, condition, limitation, or restriction of the Award as specified in the Award Agreement is invalid or not binding on such Employee because of his or her non-acceptance of the Award Agreement (or any portion thereof) shall be deemed a refusal of the Award and the Employee shall cease to be a Participant with respect to the Award, which shall be immediately cancelled. Notwithstanding any provision of the Plan or of an Award Agreement to the contrary, each Award shall be subject to the Company's mandatory clawback policy issued and established pursuant to Section 954 of the Dodd-Frank Act and applicable exchange listing standards (to the extent the Participant is subject to that policy).

13. Tax Withholding

Participants shall be solely responsible for any applicable taxes (including without limitation income, payroll, and excise taxes) and penalties, and any interest that accrues thereon, which they incur under applicable law in connection with the receipt, vesting, or exercise of any Award. The Company and its Subsidiaries shall have the right to require

payment of, or may deduct from any payment made under the Plan or otherwise to a Participant, or may permit or require shares to be tendered or sold (including shares of Common Stock delivered or vested in connection with an Award) in any method so specified and in an amount sufficient to cover withholding of, any federal, state, local, foreign, or other governmental taxes or charges required by law, or hypothetical taxes required to be paid by a Participant pursuant to a tax-equalization policy for expatriate employees, and to take such other action as may be necessary to satisfy any such withholding or payment obligations. The value of any shares allowed to be withheld or tendered for tax withholding may not exceed the amount allowed consistent with fixed plan accounting in accordance with GAAP, to the extent applicable. To the extent that a number of shares of Common Stock sufficient to satisfy a tax withholding obligation of the Company may not be withheld (whether because the Award has not vested in full pursuant to its terms, administrative procedures in effect at such time, applicable accounting principles, or any other reason), the Company shall have the right to condition the obligation of the Company to issue shares of Common Stock upon the exercise of an Option or a SAR, or in settlement of any vested Award, on the Participant paying to the Company, on demand, such amount as may be requested by the Company for the purpose of satisfying any actual tax withholding (or hypothetical tax) liability. If the amount is not timely paid to the Company in cash by such Participant, the Company may cancel the Award and refuse to issue such shares.

14. Repayment Obligations and Right of Set-Off

- (a) If the Committee determines that all conditions to vesting and payment or distribution of an Award (or any portion thereof), or the vesting and exercisability of an Option or SAR (or any portion thereof), were not satisfied in full on the scheduled vesting date (including but not limited to, any Performance Condition), the Committee shall cancel such vesting and refuse to issue or distribute shares or cash and immediately terminate the Participant's rights with respect to such Award (or improperly vested portion thereof). If any such Award (or portion thereof) has already been paid, distributed, or exercised, the Participant shall be obligated, upon demand, to: (i) in the case of an improperly vested Stock Award, return the amount of any cash payment received in settlement of the Stock Award (or improperly vested portion thereof), or if settled in shares, the number of shares of Common Stock issued in settlement of the Stock Award (or improperly vested portion thereof), or make a cash payment in an amount equal to the Fair Market Value of such shares on their vesting date, if greater than their Fair Market Value on the date they are due to be returned to the Company; or (ii) in the case of an improperly exercised Option or SAR, make a cash payment in an amount equal to the gain realized upon exercise of such Option or SAR (or improperly vested or exercised portion thereof), in each case, without reduction for any shares of Common Stock or cash withheld or paid to satisfy withholding, actual or hypothetical tax obligations in connection with such Awards or any other obligation of the Participant.
 - (b) To the extent not prohibited by applicable law, and consistent with the requirements of Section 409A of the Code, if applicable, the Company will have the right: (x) to offset against its obligation to deliver vested shares of Common Stock or make any vested cash payment pursuant to any Award granted under the Plan: (i) any amounts paid by the Company or a Subsidiary to a third party pursuant to any award, judgment, or settlement of a complaint, arbitration, or lawsuit of which a Participant was the subject; and (ii) any outstanding amounts (including, without limitation, travel and entertainment or advance account balances, loans, clawback or other repayment obligations under any Awards granted under the Plan, or awards granted under any other plan, or any obligations pursuant to a tax-equalization or housing allowance policy or other expatriate benefit) that a Participant then owes to the Company or a Subsidiary; and (y) if Participant recovers any amount in the nature of severance pay or compensation for hypothetical or potential future services in connection with any legal claim or action alleging violation of law relating to Participant's employment or termination thereof, whether by reason of a decision or settlement of such claim, reduce the amount to be paid in connection with the settlement of the Award following the termination of Participant's employment, on a dollar-for-dollar basis, by the pre-tax amount required to be paid for the Participant's account (including legal fees) in connection with such claim or action. The Company may not retain any funds or securities described herein, or set-off obligations or liabilities described above, until such time as such funds or securities would otherwise be distributable or payable to Participant in accordance with the applicable award terms. Only after-tax amounts will be applied to set-off any such obligations and liabilities and Participant will remain liable to pay any amounts that are not thereby satisfied in full.
-

15. Other Benefit and Compensation Programs

Awards granted under the Plan and amounts received upon vesting or exercise of an Award shall not be deemed a part of a Participant's regular, recurring compensation for purposes of calculating payments or benefits under any Company benefit plan or severance program unless specifically provided for under the plan or program. Unless specifically set forth in an Award Agreement, Awards under the Plan are not intended as payment for compensation that otherwise would have been delivered in cash, and even if so intended, such Awards shall be subject to such vesting requirements and other terms, conditions, restrictions, and limitations as may be provided in the Award Agreement.

16. Unfunded Plan

Unless otherwise determined by the Committee, the Plan shall be unfunded and shall not create (or be construed to create) a trust or a separate fund or funds. The Plan shall not establish any fiduciary relationship between the Company and any Participant or other person. To the extent that any Participant holds any rights by virtue of an Award granted under the Plan, such rights shall constitute general unsecured liabilities of the Company and shall not confer upon any Participant or any other person or entity any right, title, or interest in any assets of the Company.

17. Expenses of the Plan

The expenses of the administration of the Plan shall be borne by the Company and its Subsidiaries. The Company may require Subsidiaries to pay for the Common Stock issued under the Plan to Participants employed (or formerly employed) by such Subsidiaries.

18. Rights as a Stockholder

Unless the Committee determines otherwise, a Participant shall not have any rights as a stockholder with respect to shares of Common Stock covered by an Award until the date the Participant becomes the holder of record with respect to such shares. No adjustment will be made for dividends or other rights for which the record date is prior to such date, except as provided in Section 6(d) or Section 8.

19. Future Rights

No Employee shall have any claim or right to be granted an Award under the Plan. There shall be no obligation of uniformity of treatment of Employees under the Plan. Further, the Company and its Subsidiaries may adopt other compensation programs, plans, or arrangements as they deem appropriate or necessary. The adoption of the Plan or the granting of any Award shall not confer upon any Employee any right to continued employment in any particular position or at any particular rate of compensation, nor shall it interfere in any way with the right of the Company or a Subsidiary to terminate the employment of its Employees at any time, free from any claim or liability under the Plan. Unless expressly provided otherwise elsewhere in the Plan or in an Award Agreement, Awards under the Plan shall be made in anticipation of future service and/or subject to other vesting conditions and will not be earned until all conditions to vesting have been satisfied.

20. Amendment and Termination

The Plan may be amended, suspended, or terminated at any time by the Committee, provided that no amendment shall be made without stockholder approval, if it would (a) materially increase the number of shares available under the Plan (other than pursuant to Section 6(d)), (b) materially expand the types of awards available under the Plan, (c) materially expand the class of persons eligible to participate in the Plan, (d) materially extend the term of the Plan, (e) materially change the method of determining the exercise price of an Award, (f) delete or limit the Plan's prohibition against Repricing, or (g) otherwise require approval by the stockholders of the Company in order to comply with applicable law or the rules of the New York Stock Exchange (or, if the Common Stock is not traded on the New York Stock Exchange, the principal national securities exchange upon which the Common Stock is then traded or quoted).

No such amendment referred to above shall be effective unless and until it has been approved by the stockholders of the Company. The Committee retains the right to modify an Award without a Participant's prior consent if it determines that the modification is required to comply with applicable law, regulation, or regulatory guidance (including applicable tax law). Except as may be provided by Section 7(e), Section 11, and this Section 20, any other adverse modification shall not be effective without the Participant's written consent. The Company shall furnish or make available to Participants a written notice of any modification through a brochure, prospectus supplement, or otherwise, which notice shall specify the effective date of such modification.

21. Successors and Assigns

The Plan and any applicable Award Agreement entered into under the Plan shall be binding upon and inure to the benefit of the respective successors and permitted assigns of Participants, including, without limitation, the executors, administrators, or trustees of a Participant's estate, or any receiver or trustee in bankruptcy or representative of a Participant's creditors.

22. Governing Law

Prior to January 1, 2025, the Plan and all Award Agreements entered into under the Plan shall be construed in accordance with and governed by the laws of the State of New York, except that any principles or provisions of New York law that would apply the law of another jurisdiction (other than applicable provisions of U.S. federal law) shall be disregarded; provided, however, that matters with respect to indemnification, delegation of authority under the Plan, and the legality of shares of Common Stock issued under the Plan, shall be governed by the Delaware General Corporation Law. As of January 1, 2025, the Plan and all Award Agreements entered into under the Plan shall be construed in accordance with and governed by the laws of the State of Delaware, except that any principles or provisions of Delaware law that would apply the law of another jurisdiction (other than applicable provisions of U.S. federal law) shall be disregarded.

23. Tax Compliance

Awards granted hereunder shall comply with or be exempt from Section 409A of the Code, unless otherwise determined by the Committee. If, pursuant to any Award that is subject to Section 409A of the Code, a Participant is entitled to receive a payment on a specified date, such payment shall be deemed made as of such specified date if it is made (a) not earlier than 30 days before such specified date, and (b) not later than December 31 of the year in which such specified date occurs or, if later, the fifteenth day of the third month following such specified date; provided that the Participant shall not be permitted, directly or indirectly, to designate the taxable year in which such payment is made. If, pursuant to any Award that is subject to Section 409A of the Code, a Participant is entitled to a series of installment payments, such Participant's right to the series of installment payments shall be treated as a right to a series of separate payments and not as a right to a single payment. For purposes of the preceding sentence, the term "series of installment payments" has the same meaning as provided in Section 1.409A-2(b)(2)(iii) of the regulations promulgated under the Code. Notwithstanding any provision of this Plan to the contrary, in no event shall the Company or any Subsidiary be liable to a Participant on account of an Award's failure to (a) qualify for favorable U.S. or foreign tax treatment, or (b) avoid adverse tax treatment under U.S. or foreign law, including, without limitation, Sections 409A and 457A of the Code.

24. Severability

If any provision of this Plan is finally held to be invalid, illegal, or unenforceable (whether in whole or in part), such provision shall be deemed modified to the extent, but only to the extent, of such invalidity, illegality, or unenforceability, and the remaining provisions shall not be affected thereby; provided that, if any such provision is finally held to be invalid, illegal, or unenforceable because it exceeds the maximum scope determined to be acceptable to permit such provision to be enforceable, such provision shall be deemed modified to the minimum extent necessary in order to make such provision enforceable.
