

CONTINUING AGREEMENT FOR STANDBY LETTERS OF CREDIT, GUARANTEES, BONDS AND OTHER CREDIT INSTRUMENTS
(Effective 15 January 2026)

In consideration of Citibank Berhad (Registration No. 199401011410 (297089-M)) ("Citibank")'s issuance in Citibank's sole and absolute discretion, through any of Citibank's branches, Affiliates, offices, correspondents or other parties Citibank may select in Citibank's sole and absolute discretion (collectively a Correspondent Bank), of the standby letter of credit, guarantee, bond (whether performance, bid, tender, advance payment, retention, warranty, or maintenance or otherwise whatsoever), or other credit instrument (the "Credit") substantially in accordance with the terms and conditions provided by Applicant on the application or as otherwise requested by Applicant (the "Application"), Applicant unconditionally agrees with Citibank as follows:-

1. Reimbursement. Applicant will reimburse Citibank, on demand, the amount of each draft or other demand for payment (each, a "Draft") drawn under the Credit, whether such Draft is presented:-

- (a) before, on or, if in accordance with the Credit, applicable law or customs and practice applicable to the Credit, after the expiry date stated in the Credit; or
- (b) in an amount less than, equal or greater than the amount stated in the Credit, to the extent that, in the case of a Draft in excess of the stated amount of the Credit, the Credit or applicable law expressly provides for such a Draft.

Each reimbursement will be due on the date Citibank makes payment under the Credit subject to Clause 4 below. In this Agreement, "Credit" includes, except where the context otherwise requires, any of the instruments mentioned above by Citibank's Affiliates, correspondents or other parties, on the basis of a Credit issued by Citibank.

An application for the issuance of Credit may be submitted to Citibank by:

- (i) The Applicant in its own name in respect of the instruments to which it is a party;
- (ii) The Applicant on behalf of a subsidiary or holding company or a subsidiary of its holding company,

and in (ii) above, the reimbursement obligation will remain to be that of the Applicant. The Applicant confirms to Citibank its authority to procure the issue of the Credit and agrees that Citibank is protected by and has the authority in Clauses 2 and 4 herein.

2. Right to Debit Account.

2.1 Citibank may (with prior written notice to Applicant, if such notice is required by law or applicable regulation) debit any loan or bank account, or advance or credit facility of Applicant with Citibank for any monies payable by Applicant. Citibank may do so even if such debit might result in or increase a debit balance in a bank account of Applicant. Where prior notice to Applicant is required by law or applicable regulation prior to any debit, Citibank shall have a continuing right to earmark any monies standing to the credit of any bank accounts maintained by Applicant with Citibank up to the amount payable by Applicant.

2.2 Where the loan or bank account, advance or credit facility is not in the currency of the monies payable, Citibank may convert the monies payable to the currency of the loan or bank account, advance or credit facility at a market rate determined by Citibank. Applicant must, to the extent permitted under applicable law or regulation, indemnify Citibank on a full indemnity basis from any cost, loss or liability incurred by Citibank as a result of such conversion.

3. Commissions, Fees, Charges and Expenses. Applicant will pay Citibank:-

- (a) commissions, fees and other charges on the Credit (for so long as Citibank shall be obligated under the Credit or in accordance with applicable law) at such rates and times as Applicant and Citibank may agree in writing or, in the absence of such an agreement, in accordance with Citibank's commissions, fees and other charges then in effect, payable on demand.
- (b) on demand, all expenses which Citibank may pay or incur in connection with the Credit or this Agreement; and
- (c) costs related to a Correspondent Bank (if applicable).

4. Payments; Interest on Past Due Amounts; Computations.

4.1 All amounts due and owing by Applicant must be paid to Citibank at such address notified by Citibank to Applicant in writing or to such account as may be notified by Citibank from time to time. All amounts due and owing by Applicant must be paid without defence, set-off, cross-claim, or counterclaim of any kind, in the currency of the Credit and in same day funds.

4.2 If Applicant fails to pay any amount payable by it under this Agreement on its due date ("**Unpaid Sum**"), interest will accrue on the Unpaid Sum from the due date to the date of actual payment (both before and after judgment) at the rate ("**default rate**") of 1% per annum (or such other default rate as may be advised by Citibank from time to time by way of written notice to Applicant) over the relevant rate of interest agreed between Citibank and Applicant in connection with that Unpaid Sum, or if no interest rate has been agreed between Citibank and Applicant, then over Citibank's Cost of Funds to fund the Unpaid Sum.

4.3 The default interest under Clause 4.2 above will be calculated by reference to successive interest periods ("**late interest period**"), each of a duration selected by Citibank from time to time. Any interest accruing under this Clause 4 must be immediately paid by Applicant on demand by Citibank.

4.4 Any interest (if unpaid) arising on an Unpaid Sum will be compounded with the Unpaid Sum at the end of each late interest period applicable to that Unpaid Sum but will remain immediately due and payable.

5. Additional Costs. If Citibank determines that any law or regulation or compliance with any guideline or request from any central bank or other fiscal, monetary, or other authority (whether or not having the force of law):-

- (a) affects or would affect the amount of capital or reserves required or expected to be maintained by Citibank or any corporation controlling Citibank and Citibank determines that the amount of such capital or reserve is increased by or based upon the existence of the Credit or this Agreement; and/or
- (b) reduces or would reduce the rate of return on the overall capital of Citibank or any corporation controlling Citibank; and/or
- (c) results or will result in Citibank or any corporation controlling Citibank making payment (except on account of tax on Citibank's or any corporation controlling Citibank overall net income) or foregoing any interest or other return on or calculated by reference to the amount of any sum received or receivable by Citibank under this Agreement,

then Citibank may require Applicant to pay (and Applicant must pay) Citibank on demand from time to time additional amounts sufficient in Citibank's judgment to compensate for the increase, reduction, payment or foregone interest or other return.

6. Evidence. A statement or certification in writing signed by an officer of Citibank of a rate or amount due or owing under this Agreement as at any date or dates set out in such statement or certification will, unless there is manifest error, be conclusive and be final and binding on Applicant.

7. Taxes. All payments made to Citibank must be made free and clear of and without deduction for any present or future taxes, levies, imposts, deductions, charges, or withholdings, and all related liabilities, excluding income and franchise taxes imposed by the jurisdiction of Citibank's head office (or the office issuing the Credit) or any of the political subdivisions of such jurisdiction (all non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being referred to as "**Taxes**"). If any Taxes are required by law to be deducted from or in respect of any sum payable under this Agreement by Applicant: -

- (a) the sum payable must be increased as necessary so that after making all required deductions Citibank receives an amount equal to the sum Citibank would have received had no such deductions been required.
- (b) Applicant will be responsible for payment of the amount to the relevant taxing authority;
- (c) Applicant must indemnify Citibank on demand for any Taxes paid by Citibank and any loss, liability or cost (including penalties, interest and expenses) arising from its payment or in respect of such Taxes, whether or not such Taxes were correctly or legally asserted; and
- (d) Applicant must provide Citibank with the original or a certified copy of the receipt evidencing each Tax payment within 30 days of the tax payment date.

8. Indemnification.

8.1 Applicant must indemnify and hold Citibank and its officers, directors, Affiliates, employees, legal counsel and agents (each, "**an Indemnified Party**") harmless from and against any and all claims, liabilities, losses, damages, costs and expenses (including, legal counsel's fees and disbursements, other dispute resolution expenses (including fees and expenses in preparation of a defence or any investigation, litigation or proceeding) and costs of collection, on a full indemnity basis, and any Indirect Tax (as defined in this Agreement) on any such costs or expenses) that arise out of or in connection with:-

- (a) the issuance of the Credit.
- (b) any payment or action taken or omitted to be taken in connection with the Credit (including any action or proceeding seeking:-
 - (i) to restrain any drawing under the Credit;
 - (ii) to compel or restrain the payment of any amount or the taking of any other action under the Credit;
 - (iii) to compel or restrain the taking of any action under this Agreement; or
 - (iv) to obtain similar relief (including by way of inter-pleader, declaratory judgment, attachment, or otherwise), regardless of who the prevailing party is in any such action or proceeding);
- (c) the enforcement of this Agreement; or
- (d) any act or omission, whether rightful or wrongful, of any present or future de jure or de facto government or governmental authority or any other cause beyond Citibank's control,

except to the extent such claim, liability, loss, damage, cost or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or wilful misconduct.

8.2 If, in any instance, any payment in connection with this Agreement is made or is to be made in the Other Currency instead of the Required Currency, then, to the extent that the payment (when converted into the Required Currency at the rate of exchange on the date of payment, or if it is not practicable for Citibank to purchase the Required Currency with the Other Currency on the date of payment, then at the rate of exchange as soon as it is practicable for Citibank to do so) actually received by Citibank falls short of the amount due under the terms of this Agreement, Applicant must, as a separate and independent obligation, indemnify and hold harmless Citibank against the amount of such shortfall.

For the purpose of this Clause:-

- (a) "**Other Currency**" means, in the context of a payment, a currency other than the Required Currency;
- (b) "**Required Currency**" means, in the context of a payment, the currency in which the relevant payment is due;
- (c) "**rate of exchange**" means the rate at which Citibank is able on the relevant date, to purchase the Required Currency with the Other Currency in accordance with its normal practice and shall take into account any premium or other costs of exchange, including any taxes or duties incurred by reason of any such exchange.

Applicant will pay on demand from time to time all amounts owing under this Clause.

9. Obligations Absolute. Applicant's obligations under this Agreement (the "**Obligations**") shall be unqualified, irrevocable and payable in the manner and method provided for under this Agreement irrespective of any one or more of the following circumstances:-

- (a) any lack of validity or enforceability of this Agreement, the Credit, or any other agreement, application, amendment, guarantee, document or instrument relating to this Agreement or the Credit;
- (b) any change in the time, manner or place of payment of or in any other term of all or any of the Obligations of Applicant or the obligations of any person that guarantees the Obligations;
- (c) the existence of any claim, set-off, defence or other right that Applicant may have at any time against any beneficiary or any transferee of the Credit (or any person for whom any such beneficiary or transferee may be acting), Citibank or any other person, whether in connection with any transaction contemplated by this

Agreement or any unrelated transaction, or any claim by Citibank or Applicant against the beneficiary of the Credit for breach of warranty;

- (d) any exchange, release or non-perfection of any collateral, or release or amendment or waiver of or consent to departure from the terms of any guarantee or security agreement, for all or any of the Obligations;
- (e) any Draft, or other document presented under this Agreement, or the Credit being forged, fraudulent, invalid, or insufficient or any statement in that Draft or other document being untrue or inaccurate;
- (f) any failure by Citibank to issue the Credit (or any amendment) as requested by or agreed with Applicant, unless Citibank receives written notice from Applicant of such error within three business days after Applicant shall have received a copy of the Credit (or such amendment) and such error is material and consequential;
- (g) any previous Obligation, whether or not paid, arising from Citibank's payment against any Draft, certificate or other document which appeared on its face to be signed or presented by the proper party but was in fact signed or presented by a party posing as the proper party;
- (h) payment by Citibank under the Credit against presentation of a Draft or other document that does not comply with the terms and conditions of the Credit unless Citibank receives written notice from Applicant of such discrepancy within three business days following Applicant's receipt of such Draft or other document; and
- (i) any action or inaction taken or suffered by Citibank or any of its correspondents in connection with the Credit or any relevant Draft, certificate, other document or property, if taken in good faith (i.e. honesty in fact in the conduct or transaction concerned, "**Good Faith**") and in conformity with applicable Malaysian or foreign laws or practices.

10. Limitations of Liability. Without limiting any other provision of this Agreement, Citibank, its Affiliates and any of its correspondents:-

- (a) may rely upon any oral, telephonic, telegraphic, facsimile, electronic, written or other communication believed in Good Faith to have been authorised by Applicant, whether or not given or signed by an authorised person.
- (b) shall not be responsible for errors, omissions, interruptions or delays in transmission or delivery of any message, advice or document in connection with the Credit, whether transmitted by courier, mail, telex, any other telecommunication, or otherwise (whether or not they be in cipher), or for errors in interpretation of technical terms or in translation (and Citibank and its correspondents may transmit Credit terms without translating them);
- (c) shall not be responsible for the identity or authority of any signer or the form, accuracy, genuineness, falsification or legal effect of any Draft, certificate or other document presented under the Credit if such Draft, certificate or other document on its face appears to be in accordance with the terms and conditions of the Credit;
- (d) shall not be responsible for any acts or omissions by or the solvency of the beneficiary of the Credit or any other person having any role in any transaction underlying the Credit;
- (e) may accept or pay as complying with the terms and conditions of the Credit any Draft, certificate or other document appearing on its face: -
 - (i) substantially to comply with the terms and conditions of the Credit;
 - (ii) to be signed or presented by or issued to any successor of the beneficiary or any other person in whose name the Credit requires or authorises that any Draft, certificate or other document be signed, presented or issued, including any administrator, executor, personal representative, trustee in bankruptcy, debtor in possession, liquidator, receiver, or successor by merger or consolidation, or any other person purporting to act as the representative of or in place of any of the persons mentioned before; or
 - (iii) to have been signed, presented or issued after a change of name of the beneficiary.
- (f) may disregard:-
 - (i) any requirement stated in the Credit that any Draft, certificate or other document be presented to it at a particular hour or place; and

- (ii) any discrepancies that do not reduce the value of the beneficiary's performance to Applicant in any transaction underlying the Credit;
- (g) may accept as a Draft any written or electronic demand or other request for payment under the Credit, even if such demand or other request is not in the form of a negotiable draft;
- (h) shall not be responsible for the effectiveness or suitability of the Credit for Applicant's purpose, or be regarded as the drafter of the Credit regardless of any assistance that Citibank may, in its sole and absolute discretion, provide to Applicant in preparing the text of the Credit or amendments to that text (and Applicant will bear the risk that any ambiguous or inconsistent provisions may be interpreted in a manner not intended by Applicant);
- (i) shall not be liable to Applicant for any consequential or special damages, or for any damages resulting from any change in the value of any foreign currency, services or goods or other property covered by the Credit;
- (j) may assert or waive application of any UCP, ISP or URDG (in each case, as defined below) article benefitting bank issuers (which for this purpose shall include Articles 15 and 16 of URDG);
- (k) may honour a previously dishonoured presentation under the Credit, whether pursuant to court order, to settle or compromise any claim that it wrongfully dishonoured, or otherwise, and shall be entitled to reimbursement to the same extent as if it had initially honoured plus reimbursement of any interest paid by it;
- (l) may honour, upon receipt, any drawing that is payable upon presentation of a statement advising negotiation or payment (even if such statement indicates that a Draft, certificate or other document is being separately delivered) and shall not be liable for any failure of any Draft, certificate or document to arrive or to conform in any way with the Draft, certificate or other document referred to in the statement or any underlying contract;
- (m) may pay any nominated bank (as such term is defined in UCP 600), nominated person (as such term is defined in ISP) or guarantor (as defined in URDG, in cases where Citibank has issued the Credit in the form of a counter-guarantee (as defined in URDG), paying or negotiating bank (in each case as designated or permitted by the terms of the Credit) claiming that it rightfully honoured under the laws, customs or practices of the place where it is located;
- (n) may replace a purported lost, stolen or destroyed original Credit by providing a replacement or copy marked as such to any beneficiary of the Credit; and
- (o) will not be required to take any action or make any payment that may result in a violation of any applicable law or regulation.

None of the circumstances described in this Clause shall place Citibank or any of its correspondents under any resulting liability to Applicant.

11. Independence. Applicant acknowledges that the rights and obligations of Citibank under the Credit are independent of the existence, performance or non-performance of any contract or arrangement underlying the Credit, including contracts or arrangements between Citibank and Applicant and between Applicant and the beneficiary of the Credit. Citibank shall have no duty to:-

- (a) notify Applicant of its receipt of a Draft, certificate or other document presented under the Credit or of its decision to honour the Credit;
- (b) request or require the presentation of any document, including any default certificate, not required to be presented under the terms and conditions of the Credit;
- (c) seek any waiver of discrepancies from Applicant, nor any duty to grant any waiver of discrepancies which Applicant approves or requests; or
- (d) extend the expiration date or term of the Credit or to issue a replacement Credit on or before the expiration date of the Credit or the end of such term.

Applicant understands that Citibank may, without incurring any liability to Applicant or impairing its entitlement to reimbursement under this Agreement, honour the Credit despite notice from Applicant of, and without any duty to enquire into, any defence to payment or any adverse claims or other rights against the beneficiary of the Credit or any other person.

12. Non-Documentary Conditions. Citibank is authorised (but shall not be required) to disregard any non-documentary conditions stated in the Credit.

13. Transfers. If, at Applicant's request, the Credit is issued in a transferable form, Citibank shall have no duty to determine the proper identity of anyone appearing in any transfer request, Draft, or other document as transferee, nor shall Citibank be responsible for the validity or correctness of any transfer.

14. Extensions and Modifications of the Credit. This Agreement will be binding upon Applicant with respect to any extension or modification of the Credit made at Applicant's request or with Applicant's consent. Applicant's Obligations shall not be reduced or impaired in any way by any agreement by Citibank and the beneficiary of the Credit extending Citibank's time to honour or to give notice of discrepancies and any such agreement will be binding upon Applicant.

15. Deposit.

15.1 Applicant will pay to Citibank from time to time on demand for credit of such account as Citibank may open for this purpose such amounts in such currencies as Citibank may require as may be necessary to ensure that the sum for the time being standing to the credit of that account is equivalent to Citibank's actual and contingent liability then outstanding under or in connection with the Credit and this Agreement (the "**Cash Deposit**") on terms that the Cash Deposit shall not mature until the date on which Citibank establishes that Applicant has no further liability whatsoever under any Credit and this Agreement.

15.2 Citibank may (without prejudice to any other remedy it may have under this Agreement or by law or statute) (but will not be required) set off any obligation of Applicant owing to Citibank (whether or not such obligation has matured or is contingent and regardless of the currency, place of payment or booking office of the obligation) against the Cash Deposit.

15.3 Any agreement (whether before, on or after the date of this Agreement) that the Cash Deposit is to be held on fixed deposit shall be for the purposes of calculation and payment of interest only and shall not prejudice Citibank's rights or obligations under any provision of this Agreement. Citibank may unilaterally terminate any such fixed deposit at any time and adjust any interest payable by Citibank accordingly.

15.4 If the Cash Deposit is held on fixed deposit, then on the expiry of the relevant fixed deposit period it shall be redeposited or successively redeposited on such terms (including without limitation successive fixed deposits) as may be agreed from time to time between Applicant and Citibank or failing such agreement as may be determined by Citibank from time to time.

15.5 Applicant agrees that it will not create, attempt to create or suffer to exist any mortgage, pledge, charge, lien or any other form of encumbrance or security whatsoever on or over any of the Cash Deposit without the written consent of Citibank. Nothing in this provision will be deemed to create a charge or other security interest.

16. Exclusion of Liability. Applicant agrees that in connection with this Agreement and the transactions contemplated by this Agreement, no Indemnified Party nor any of their officers, employees or agents (each an "**Affected Party**") will have any liability (whether in contract, tort or otherwise) to Applicant except for direct damages (as opposed to special, indirect, consequential or punitive damages (including any loss of profits, business or anticipated savings) even if advised of the possibility of such damages) determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from the Affected Party's gross negligence or wilful default.

17. Covenants of Applicant. Applicant must:-

- (a) comply with all Malaysian and foreign laws, regulations and rules (including foreign exchange laws and regulations and Sanctions) now or later applicable to the Credit, transactions related to the Credit, and Applicant's execution, delivery and performance under this Agreement and deliver to Citibank, on reasonable request, satisfactory evidence of such compliance;

- (i) none of the execution, delivery or performance of this Agreement, or any activities, transactions, services, or any collateral or security interest contemplated by this Agreement, would result in a violation by any person of any Sanctions or be in violation of any applicable law (including Anti-Corruption Laws and Anti-Money Laundering Laws) or regulation;
- (j) the financial statements most recently received by Citibank from Applicant fairly represent its financial condition in accordance with applicable accounting principles, and there has been no material adverse change in Applicant's business, condition (financial or otherwise) or results of operation since the date of such financial statements;

- (k) there is no pending or threatened action which may materially adversely affect its financial condition or business or which purports to affect the validity or enforceability of this Agreement, the Credit or any transaction related to the Credit.

18.2 Applicant is aware that in certain circumstances (including the instance where the requirements set out in the foreign exchange notices (the "Notices") issued by Bank Negara Malaysia pursuant to section 214 of the Financial Services Act 2013, of Malaysia and section 225 of the Islamic Financial Services Act 2013, of Malaysia apply) giving of financial guarantees may require approval from Bank Negara Malaysia; and that even if there is such an approval, there may be terms and conditions that it is required to comply with. These circumstances are currently set out in Notice 2 of the Notices, which is available at Bank Negara Malaysia's official portal (<http://www.bnm.gov.my>).

18.3 Applicant represents, warrants and undertakes that where such approval is required:-

- (a) it will take the necessary steps so that, where applicable, such approval will be obtained before the financial guarantee is issued by Citibank;

- (c) it will provide a certified true copy of the document(s) (including all correspondences with Bank Negara Malaysia in relation to such approval) evidencing compliance with the FE Rules, the Notices and the terms and conditions, on request by Citibank.

The term "financial guarantee" is defined in the Notices, available at Bank Negara Malaysia's official portal (<http://www.bnm.gov.my>).

18.4 Each request by Applicant for a Credit will constitute Applicant's representation and warranty that the statements in this Clause are true and correct as if made on the date of such request.

19. Release. The amount of the Credit as well as any or all Obligations shall become due and payable immediately upon Citibank's demand. Citibank is authorized (but shall not be required) to pay to the beneficiary under the Credit issued and outstanding at any time an amount equivalent to the actual and contingent liability then outstanding under the Credit in exchange for a release from the beneficiary under the Credit of all of Citibank's obligations under the Credit.

20. Set-off.

20.1 Applicant agrees that in addition to any rights of set-off Citibank may have (whether by operation of law, contract or otherwise), Citibank has the continuing right (but will not be required), without prior demand or notice (unless such notice is required by law or applicable regulation) to Applicant to set-off any of Applicant's obligations owing to Citibank (whether or not such obligation has matured or is contingent and regardless of the currency, place of payment or booking office of the obligation) against any obligation of Citibank owing to Applicant (whether or not such obligation has matured or is contingent and regardless of the currency, place of payment or booking office of the obligation).

20.2 Citibank's rights under this Clause are in addition to other rights or remedies (including other rights of set-off) which Citibank may have under this Agreement or applicable law.

20.3 Without prejudice to Clause 20.1 above, Citibank has the continuing right (but will not be required):-

- (a) to earmark and/or segregate for any particular purpose; and/or
- (b) with prior notice, to set-off any of Applicant's obligations owing to Citibank (whether or not such obligation has matured or is contingent and regardless of the currency, place of payment or booking office of the obligation) against,

any monies standing to the credit of any bank accounts maintained by Applicant with Citibank.

20.4 For the purpose of cross currency set-off, Citibank may convert any obligation to another currency at a market rate determined by Citibank. Applicant must, to the extent permitted under applicable law or regulation, indemnify Citibank against any cost, loss or liability incurred by Citibank in respect of such conversion. If an obligation is unascertained, Citibank may in Good Faith estimate that obligation and set-off in respect of that estimate, subject to Citibank accounting to Applicant when the obligation is ascertained. Nothing in this Clause will be deemed to create a charge or other security interest.

21. Waiver of Immunity. Applicant acknowledges that this Agreement is, and the Credit will be, entered into for commercial purposes and, to the extent that Applicant now or later acquires any immunity from jurisdiction of any court or from any legal process with respect to itself or its assets, Applicant now irrevocably waives its immunity.

22. Notices and Communications

22.1 Unless Citibank otherwise agrees in writing, every communication under this Agreement or the Credit must be in writing.

22.2 Communications by Citibank to Applicant may be sent by post, facsimile or such other means as are agreed to Applicant's address, or facsimile number, indicated in the Application or maintained in Citibank's records.

22.3 Any change of address, or facsimile number of Applicant will only become effective on Applicant providing Citibank with at least ten (10) days prior written notice of such change.

22.4 Communications by Citibank to Applicant will be deemed to have been received by Applicant:-

- (a) if sent by normal post, on the second (2nd) day after posting; or
- (b) if given or made by facsimile, at the time of successful transmission.

22.5 Notices to the beneficiary of the Credit shall be effective when sent to the address maintained in Citibank's records for such beneficiary, and Applicant agrees to hold Citibank harmless with respect to any claim by the beneficiary of non-receipt of such notice.

22.6 Applicant accepts the risks inherent in any mode of communication of instructions agreed between Applicant and Citibank whether by telephone, facsimile, telex and/or any other means (including any electronic platforms or systems), including but not limited to the risk of miscommunication, forgery, impersonation or fraud. Citibank may rely and act on any instruction or communication which Citibank believes in Good Faith to have been given by Applicant or Applicant's authorized person(s).

22.7 If inconsistent, overlapping or unclear instructions are given, Citibank may at Citibank's sole and absolute discretion act on all, some or none of those Instructions. Applicant will be responsible for any loss Citibank may incur in connection with any instruction or communication given pursuant to this Agreement provided that Citibank had acted in Good Faith.

23. Applicants. If there are two (2) or more persons comprised in the expression "**Applicant**":-

- (a) each such person shall be deemed an "Applicant" under this Agreement;
- (b) each Applicant will be jointly and severally liable for all the Obligations under this Agreement; and
- (c) notices from Citibank in connection with this Agreement or the Credit to either Applicant and notices from, or the consent of, either Applicant in connection with this Agreement or the Credit shall be sufficient to bind all Applicants.

Citibank will be at liberty to release or discharge any one or more Applicants from liability under the Credit and this Agreement or to compound with, accept compositions from or make any other arrangements with any Applicant or any other person without in consequence releasing or discharging any other Applicant or otherwise prejudicing or affecting Citibank's rights against any Applicant or any other person.

24. Definitions and Interpretation.

24.1 The following terms will have the following meanings when used in this Agreement: -
